MAKE A LULAV SHAKE!

The book of Leviticus (chapter 23:41) tells us "You shall take the product of *hadar* trees, branches of palm trees, boughs of leafy trees, and willows of the brook, and you shall rejoice before the Lord your God." This verse refers to the *arba'ah minim* or the "four species," the etrog, lulav, myrtle (*hadas*) and willow (*aravah*) which we gather together for the festival of Sukkot. Together, these four species represent the beauty of the land of Israel.

Beth Shalom Men's Club is once again facilitating the ordering process to help us fulfill the mitzvah of lulav and etrog.

The cost per set is only **\$54 (payable in advance to the Men's Club of Beth Shalom)**

Orders must be received in the synagogue office no later than **Wednesday, September 1.**

For more information, including information about pickup, contact Richard Racusin, 248.890.0635 (cell) or rchrdgrcsn@aol.com (email).
