SAFETY and SECURITY for the HIGH HOLY DAYS

BOD APPROVED

For printing and distribution in the August Bulletin/Publications/Media

At Temple Shalom YOUR SAFETY and SECURITY is a top priority. The following ticket policy for High Holy Day Services outlines security protocols and allows us to provide for the safety of all participants at Temple services to the best of our ability.

Temple Shalom will have armed security officers on site for High Holy Day Services. Each individual adult **MUST** present a valid ticket to enter services. Personalized Member Tickets will be mailed to each family at the end of August with the High Holy Days packet. Guest tickets will be distributed by the Temple Office thru September 1-20, 2019. All adult attendees must carry identification that may be provided to the Officer on site or Temple Staff if requested.

Your 2019-2020 membership payment in July/August ensures your Member Tickets (1 or 2 adults) are sent by mail at the end of August. Children under 16 do not *need* a ticket and should be accompanied by an adult for entry at the exterior doors. If a ticket is needed for a dependent child 16-24, please confirm with the office by August 15th. Children participating in Youth Services will be signed-in by a parent and each child will receive a security bracelet. Please note: Member tickets are provided for your immediate family living in your home as dependents. All others will need to request a Guest Ticket—and donations to Temple Shalom for these additional seats is appreciated.

Guest tickets **MUST** be *requested in advance* and are provided upon completion of a Guest Ticket request form and presentation of a valid ID. A ticket will be required of each guest with their individual name printed on the ticket. Guest tickets must be picked up at the Temple Shalom Office by 2pm on Friday, September 20, 2019 and a donation to Temple Shalom is highly encouraged. If a guest becomes a Temple member, the donation will be applied to membership. All adults must carry identification that may be provided to the Officer on site or Temple Staff if requested.
