COMMUNITY CALENDAR
ЕВРЕЙСКИЙ КАЛЕНДАРЬ

The Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson, the seventh leader in the Chabad-Lubavitch dynasty, is considered to have been the most phenomenal Jewish personality of modern times. To hundreds of thousands of followers and millions of sympathizers and admirers around the world, he was - and still is, despite his passing - "the Rebbe," undoubtedly, the one individual more than any other, singularly responsible for stirring the conscience and spiritual awakening of world Jewry.

The Rebbe's simple and fundamental message always was and still is: What have you done today to help another Jew, materially and spiritually!

Dear Friends,

We are pleased to present you with the new Bris Avrohom of Fair Lawn Community Calendar & Program Guide for the year 5776 (2015/2016).

We are your center for everything Jewish, whatever your need may be, do not hesitate to contact us.

Our ever popular holiday celebrations will enable you and your family to celebrate the Jewish holidays in style, with fun and educational ideas helping to make Judaism relevant to our youth.

Our Torah classes will give you a second opinion on any subject or matter you may be dealing with, our Holiday programs will allow you to celebrate your Jewish pride with your family and friends.

Our fun Hebrew School and Day Camp will fill your children with an educated sense of what it means to be Jewish and our synagogue services will give you the opportunity to pray, be inspired and experience spirituality.

From baby celebrations to weddings and after life services including Kaddish and unveiling, we will be there for you and help create a meaningful and memorable experience.

We are here to help you and serve you and look forward to seeing you soon!

The Torah teaches that all Jews are one family. On behalf of Bris Avrohom of Fair Lawn's partners, staff, and volunteers we would like to extend gratitude to all those who are active members of this family, and a warm hand and an open door to those who would like to explore the possibilities of what Jewish life has to offer.

We encourage you to visit our website www.JewishFairLawn.org, for more information about how Bris Avrohom of Fair Lawn can enhance your experience of Jewish life.

Best Wishes,

Rabbi Berel & Leah Zaltzman
Rabbi Mendel & Elke Zaltzman

JANUARY/ЯНВАРЬ 2016 TEVES/SHEVAT 5776

Teves 20 (January 1)

Passing of Rabbi Moses ben Maimon in 1204, known in the Jewish world by the acronym "Rambam" and to the world at large as "Maimonides."

Teves 24 (January 5)

Passing of the Alter Rebbe, Rabbi Schneur Zalman of Liadi (1745-1812).

Shevat 10 (January 20)

The sixth Lubavitcher Rebbe, Rabbi Yosef Yitzchak Schneersohn, passed away in Brooklyn, on Shabbos morning, the 10th of Shevat, in the year 5710 from creation (1950).

Our Rebbe assumes leadership of Chabad. At a gathering of Chassidim marking the first anniversary of the passing of the sixth Lubavitcher Rebbe, the late Rebbe's son-in-law, Rabbi Menachem Mendel Schneerson, delivered a Chassidic discourse entitled Basi L'Gani ("I Came into My Garden"), signifying his formal acceptance of the leadership of the Chabad-Lubavitch movement.

TU B'SHEVAT

Shevat 15 (January 25)

The "New Year for Trees". This is the day in which the earliest-blooming trees in the Land of Israel emerge from their winter sleep and begin a new fruit-bearing cycle.

We mark the day by eating fruit, particularly from the "seven kinds" that are singled out by the Torah in its praise of the bounty of the Holy Land. These 7 kinds are: wheat, barley, grapes, figs, pomegranates, olives, and dates.

FEBRUARY/ФЕВРАЛЬ 2016
SHEVAT/ADAR I 5776

Shevat 22 (February 1)

Rebbetzin Chaya Mushkah Schneerson born 1901, wife of the Lubavitcher Rebbe, passed away on the 22nd of Shevat of the year 5748 (1988).

LEAP YEAR

This year is a leap year on the Jewish calendar. The Jewish leap year, which occurs 7 times in a 19-year cycle, has thirteen months instead of the regular year's twelve months. This is so the lunar-based Jewish year should remain aligned with the solar seasons (12 lunar months make up a total of 354 days - slightly more than 11 days short of the 365.25 day solar cycle). The added month is called "Adar 1" and is inserted before the month of Adar (termed "Adar 2" in leap years).

The festival of Purim celebrated on the 14th of Adar, is in Adar 2 on leap years, while the 14th of Adar 1 is marked only as "Purim Minor." Similarly, birthdays and most other anniversaries are marked in the second Adar, unless the actual event occurred in the first Adar during a leap year.

7 Adar I (February 16)

Moses was born in Egypt on the 7th of Adar of the year 2368 from creation (1393 BCE) and passed away on his 120th birthday – Adar 7, 2488 (1273 BCE). According to one opinion, the year of Moses' birth was a "leap year", and he was born in the first Adar.

PURIM MINOR (Feb. 23)

In regular years, the 14th of Adar is Purim, the festival that celebrates the salvation of the Jewish people from Haman's evil decree in the year 3405 from creation (356 BCE). In a leap year which has two Adars, Purim is celebrated in Adar 2, and the 14th of Adar 1 is designated as Purim Kattan, the "Little Purim."

THE FEAST OF MOSHIACH

Nissan 22 (April 30)

The last day of Passover is particularly associated with Moshiach and the future redemption. The Haftarah (reading from the Prophets) for this day is from Isaiah 11, which describes the promised future era of universal peace and divine perfection. Rabbi Israel Baal Shem Tov instituted the custom of partaking in "Moshiach's meal" on the afternoon of the last day of Passover. In addition to the Matzah eaten at "Moshiach's meal", the Rebbes of Chabad added the custom of drinking four cups of wine, as in the seder held on Passover's first days.

PESACH SHEINI - SECOND PESACH

Iyar 14 (May 22)

A year after the Exodus, G-d instructed the people of Israel to bring the Passover offering on the afternoon of Nissan 14, and to eat it that evening. There were, however, certain persons who had become ritually impure and could not, therefore, prepare the Passover offering on that day. G-d established the 14th of Iyar as a "second Passover" for anyone who was unable to bring the offering on its appointed time in the previous month. The day thus represents the "second chance" achieved by teshuvah the power of repentance and "return." In the words of Rabbi Yosef Yitzchak of Lubavitch, "The Second Passover means that it's never too late."

- The plague that killed 24,000 students of Rabbi Akiva ceased on this day.

JUNE/מונח 2016
IYAR/SIVAN 5776

SHAVUOS - THE GIVING OF THE TORAH

Sivan 6 -7 (June 12-13)

On the 6th of Sivan of the year 2448 from creation (1313 BCE), seven weeks after the Exodus, G-d revealed Himself on Mount Sinai. The entire people of Israel, as well as the souls of all future generations of Jews, heard G-d declare the first two of the Ten Commandments and witnessed G-d's communication of the other eight through Moses.

Sivan 6 (June 12)

- Passing of King David (837 BCE).
- Passing of Rabbi Israel Baal Shem Tov (1760) founder of the Chassidic movement.
- On the first night of Shavuos (Saturday, June 11), we conduct an all-night Torah Study.
- Hear the Ten Commandments – Sunday, June 12.
- It is customary to eat dairy foods on the first day of Shavuos because the Torah is likened to nourishing milk. Also, the Hebrew word for milk is chalav, and when the numerical values of each of the three letters in the Hebrew word chalav are added together - 8 + 30 + 2 – the total is forty. Forty is also the number of days Moses spent on Mount Sinai when receiving the Torah.

JULY/ИЮЛЬ 2016 SIVAN/TAMMUZ 5776

Sivan 28 (July 4)

On Monday, June 23 1941 - Sivan 28 on the Jewish calendar, the Rebbe and his wife arrived in the U.S.A. after escaping Nazi-occupied Paris, and many perilous months in Vichy, France.

THE REBBE'S DAY

Tammuz 3 (July 9)

On the third of Tammuz of the year 2488 from creation (1273 BCE), our prophets teach us, the sun miraculously stood still in the sky over Jericho, delaying nightfall and enabling Joshua and the Jewish people to complete their victory over their enemies. In 1994 on this same date, millions of people around the world heard about the passing of the Rebbe. But the sun has not set. The Rebbe's radiant leadership continues to grow and illuminate the world. As the Zohar teaches, a righteous person, no longer bound by physical limitations, is more profoundly felt then ever before.

Tammuz 12-13 (July 18-19)

Tammuz 12 is the birthday the sixth Lubavitcher Rebbe, Rabbi Yosef Yitzchak Schneersohn of Lubavitch (1880-1950). It is also the day he was released from soviet prison.

THE FAST OF 17 TAMMUZ

Tammuz 18 (July 24)

A fast day, devoted to mourning the breaching of Jerusalem's walls and other tragic events that occurred on this day. The Roman general Apostomus burned the Torah and, placed an idol in the Holy Temple. The fighting in Jerusalem continued for three weeks until the 9th of Av, when the Holy Temple was set aflame. This fast is on the 17th of Tammuz but being that this year it is Shabbos, the fast is pushed off to Sunday, July 25, because we do not fast on Shabbos.

SHABBOS CHAZON (August 13)

The Shabbos before the Ninth of Av is called Shabbos Chazon ("Shabbos of Vision") after the opening words of the day's reading from the prophets. On this Shabbos, say the Chassidic masters, we are granted a vision of the Third Temple; we may not see it with our physical eyes, but our souls see it.

TISHA B'AV

Menachem-Av 10 (August 14)

Both the first and second Holy Temples which stood in Jerusalem were destroyed on Av 9: the First Temple by the Babylonians in the year 3338 from creation (423 BCE), and the second by the Romans in 3829 (69 CE). Being that this year the 9th of Av is Shabbos, the fast is pushed off to Sunday, August 14 because we do not fast on Shabbos.

Menachem-Av 15 (August 19)

A happy and joyous day.

SHABBOS NACHAMU (August 20)

The Shabbos following Tishah B'Av is called the "Shabbos of Consolation," after the opening words of the day's reading from the prophets.

Menachem-Av 20 (August 24)

Av 20 is the day of passing of the Lubavitcher Rebbe's father, Rabbi Levi Yitzchak Schneerson (1878-1944), in Alma Ata, Kazakhstan.

ELUL:
THE MONTH OF
REFLECTION AND
ACTION

The King in the Field!

The month of Elul is compared to a time when the king is met by the people out in the field; no need for formalities or protocol, as in the city. The Shofar — A Spiritual Wake-up Call, a preparation for Rosh Hashanah, we traditionally blow the Shofar every weekday of the month of Elul.

CHAI ELUL

18 Elul (September 21)

- Birthday of the Baal Shem Tov (1698-1760), founder of the Chassidic movement, known for his boundless love for every Jew.
- Birthday of the Alter Rebbe, Rabbi Schneur Zalman of Liadi (1745-1812), founder of Chabad Chassidism.
- Passing of the Maharal of Prague (1512-1609), a great luminary of Jewish Law and Mysticism.

CANDLE LIGHTING

Women and girls above the age of three should light candles before every Shabbos and festival NO LATER than the time indicated on the calendar for that specific date. (If there is no woman in the house, the head of the household should light). It is customary to give charity before lighting the candles. Recite the appropriate blessings (as numbered), and then make your own personal prayer.

1 Blessed are You, L-rd our G-d, King of the universe, who has sanctified us with His commandments and has commanded us to light the candle of the Day of Remembrance.

*Ba-ruch A-tah Ado-nai Elo-hei-nu Me-lech
