

February 2017

Dear Member of B'nai Havurah:

You may have been wondering about the status of our building and the work that the Facility Task Force (FTF) is doing. Hopefully, this letter and the attachments found within this letter will satisfy your curiosity!

As you remember, with the results of our Feasibility Studies and the Listening Sessions in mind, the FTF was tasked with the job of fleshing out additional information in regard to our the four options and make a recommendation to the Board of Directors. The Board of Directors, in turn will share the recommendation with membership and invite their input.

We would have liked to move this process along faster, but were delayed due to the schedules of others. Specifically, the results of the ALTA study (American Land Title Association land title survey) that Denver Jewish Day School has ordered has been delayed. The results from this study will provide us with critical information needed in regard to the buildability of the land offered for sale at Denver Jewish Day School.

The Facility Task Force met on January 12<sup>th</sup>. Notes from this meeting (and other meetings) and important background information regarding the process to determine B'nai Havurah's future facility may be found by clicking here.

In addition, Facility Task Force chair, Dan Taubman will be speaking to the Board of Directors at the upcoming Board meeting in order to update them on current developments. All members of B'nai Havurah are invited to attend this (and all) Board meetings. Feel free to join us on Tuesday, February 21 at 7:15 pm. Please let us know that you plan to be at this meeting with an email to [exec@bnaihavurah.org](mailto:exec@bnaihavurah.org), in order for us to accommodate you.

Thank you for your patience and understanding as we continue to gather the information we need in order to make an informed and responsible recommendation you and others in our B'nai Havurah community.

Please feel free to contact any of the members of our Facility Task Force if you have any questions or concerns. Our phone numbers and email addresses are available by contacting Becky Epstein, 303-388-4441 ext. 15 / [exec@bnaihavurah.org](mailto:exec@bnaihavurah.org).

Sincerely,

Dan Taubman, Chair
