- Questions:** Rotate/reconfigure Library?  
Doors between classrooms?

**Phase A:**

- Incorporate "digital" aspects of learning
- Add server & low-volt room/closet

## Primary Objectives:

- Jewish Learning:** collect inspiration
- Library:** more specifics for space requirements
- Youth Education:** flexible/fun spaces
- Adult Education:** quiet & digital

# 3 OUTDOORS

- Questions:** Remove middle patio doors?  
Nana-wall in Sanctuary?  
Designated bicycle parking?  
Drop-off & angled parking @ Locust St?

**Phase A:**

- Decorative/Protective fencing
- Install all new doors/windows

## Primary Objectives:

- Play Areas:** safe & visible, learning & hands-on, integrated
- Landscape:** low maintenance but green & peaceful
- Gardens:** biblical references, interactive

# 4 CELEBRATIONS

- Questions:** Kitchen Location/Configuration?  
Teacher/Parent "break area"?  
Built-in display area for "collections"?  
Mobile community table (on casters)?

**Phase A:**

- Complete Kitchen

## Primary Objectives:

- Space:** flexible community space
- Kitchen:** well equipped but not commercial - KOSHER

**Appliances:**

- cooktop w/ down-vent
- double oven
- dishwasher(s) \*2 if possible
- 2 refrigerators
- 1 freezer
- incorporate ice maker
- built-in microwave
- 1 large/deep sink (single bowl)
- 1 prep sink @ island \*if possible
- instant hot tap @ sink \*if possible

# 5 SECURITY

- Questions:** Large single entry doors @ vestibules?  
Again, doors @ classrooms?  
Security system in design?  
Involve security consultant for design?

**Phase A:**

- Physical design changes - Doors, windows, etc

## Primary Objectives:

- Concerns:** secure religious school
- Security:** adjust entry doors
  - size
  - material
  - extra barriers

# 6 SANCTUARY

- Questions:** East "Ark Wall" redesign?  
New Ark to incorporate into design?  
Raised floor in Sanctuary?

**Phase A:**

- Ark Wall design/renovation
- Electrical/lighting

## Primary Objectives:

- Sanctuary:** flexible but peaceful & intimate
- Acoustics:** as natural as possible & controlled
- Ark:** semi-flexible, possibly new design/size

# 7 COMPREHENSIVE

- Questions:** Rotate/reconfigure Library?
