

PROPOSAL FOR B'NAI HAVURAH TO TAKE A POSITION ON A SOCIAL JUSTICE ISSUE

At the very beginning, Vad Tzedek (Justice Group of Tikkun Olam Committee) needs the basics, as in the example below –

The issue: Using renewable energy

The position: Colorado should require our energy suppliers to use at least 20% renewables

The action: B'nai Havurah should join the XYZ Coalition to support Colorado legislation to require energy suppliers to use at least 20% renewable resources (wind, solar, geothermal).

GUIDELINES FOR MEETINGS THAT BUILD COMMUNITIES

1. Commit to honest, straightforward discussion.
2. Commit to discussion without interruptions or side conversations.
3. Stay curious about others' viewpoints.
4. No "name-calling / labeling."
5. Really listen. Don't prepare your own comments while "listening" to others.
6. Respect the time of others – keep comments concise.
