ADAS TORAH 2018

Mazel Tov to **Abie & Ali Mendelsohn** and **Charlie & Kyla Stein** on this most deserving honor. The Gabbaim have such an important and oftentimes underappreciated role in the Shul. They are the first to greet guests and wish Mazel Tov to those that are celebrating a simcha and they ensure that davening runs as smoothly and beautifully as it does.

Abie & Charlie - Thank you for the last eight years! Your smile and positive attitude set the tone for a warm and caring Shul week in and week out.

Ali & Kyla - Thank you for supporting your husbands in this important endeavor and allowing them to leave the house early on Shabbos morning so the minyan could run on time and efficiently.

Thank you to **Rabbi & Rebbetzin Revah** for everything you do for the Shul. We are blessed to have such caring individuals lead our community.

Thank you to all the lay leadership for all the time and energy they put into making the Shul a vibrant and warm place for our families to daven, learn, and grow in our Yiddishkeit.
