9040 WEST PICO BLVD | LOS ANGELES, CALIFORNIA
GOURMET RECEPTION 6:30 PM | PROGRAM 8:15 PM

HONORING

ZEV AND SHOSHANA WEINSTEIN

Zev and Shoshana have been dedicated members of Adas Torah since its inception. For the past five years, Zev has ensured that our finances are run professionally and transparently. Please join us as we recognize their dedication and the many hundreds of hours of work Zev has selflessly given to the Shul.

YOUNG LEADERSHIP AWARD

SHRAGIE AND KRAINDY MURIK

Since moving to LA a few years ago, Shragie and Kraindy have become active and vibrant members of our Kehilla. Shragie is our weekday gabbai and both Shragie and Kraindy are quick to offer their help to the Shul whenever it is needed.

ADAS TORAH 2019

Dear **Zev & Shoshana**,

When the new shul was being built, we got to see the construction up close and it was amazing to see the underlying structure, with all its hundreds of components, morph into a building. All those key elements, the beams, the wires, the circuits disappeared behind solid walls. You could pass those walls a hundred times and never think about what's behind it.

We feel the same way about your work for our shul. Without your incredible skills, efficiency and tireless efforts, the shul could not function as seamlessly as it does, and it would not be possible for any of our minyanim and programs to flourish. Your desire to help is only exceeded by your modesty and many of us have no idea how much your work undergirds our shul.

Tonight's award recognizes your tremendous work and allows us to finally express our הכרת הטוב publicly.

"וכל מי שעוסקים בצרכי ציבור באמונה הקב"ה ישלם שכרם"

We are grateful for what you have done for our kehilla and we treasure our friendship with you.

Dovid & Shifra

ADAS TORAH 2019

Dear **Shragie & Kraindy**,

When a shul is blessed with members who are warm, friendly, and kind it is no longer just a place to daven but it becomes a true community. As soon as you joined the shul, we knew that we had a treasure.

You are quick to reach out to others and put them at ease with your good humor and approachability. When you see a need, you are there to offer help, and never look for recognition for your efforts. Thank you for being role models in Bein Adam L'Chaveiro and making Adas Torah a place where people feel welcomed.

With gratitude,

Dovid & Shifra

ADAS TORAH 2019

To **Rabbi & Rebbetzin Revah,**

In recognition of your solid and consistent key role in helping grow Adas Torah to heights beyond everyone's expectation. We are grateful and fortunate to have you as our leaders and mentors.

To **Shragie & Kraindy Murik,**

Mazal Tov on your well-deserved honor. Your daily commitment to ensuring other members have a smooth and orderly experience at shul is central to our success, and it is because of dedicated members such as yourselves that Adas has become the top tier of shuls in LA.

To **Bella Essas & Shana Feldman,**

Here's to another superb dinner event, thank you for your tremendous effort and for lending your unique abilities and creativity to the success of our banquet.

We would like to thank everyone for attending this year's Adas Torah dinner. When all is said and done, it is because of the entire membership body that this building stands as a shining example of a true Makom Tefilah and beacon for Torah values.

The Weinsteins.

Zev, Shoshana, Eliana & Tehila

May Hashem bless you with continued success.
