Dear Members and Friends,

I hope this letter finds you and your family well and enjoying your summer.

As we approach the Yamim Noraim, we take the opportunity to reflect on our growth over the past year and look forward to a year of further accomplishment. Baruch Hashem, over the past year we have added new minyanim and exciting learning programs. However, a shul is called a Bais Knesess, not a Bais Tefilah or Bais Medrash, because although davening and learning are vital and integral parts of any shul, a shul must be much more than that. The role of a shul is to serve as a Bais Knesess, to create a unified kehillah and tzibur whose members can inspire each other to grow in all ways of Avodas Hashen.

We hope that our shul is serving that function and that you will continue to help us build and strengthen our kehila.

Attached are membership forms for 2019/2020. For this year we have included the security fee in the regular membership fee. Our security costs have risen five-fold over the last year and is reflected in the increase in membership fee.

We are mispallel that we be worthy of continued bracha, and may our shul be a venue for שמחות and continue to be a source of נחת to the Ribono Shel Olam.

The membership forms can be emailed to adastorah@earthlink.net or mailed to Adas Torah, 9040 W. Pico Blvd. Los Angeles 90035. Payment can be made by check, or by credit card, on our website adastorah.org. It is possible to pay in installments on our website.

Please return the form no later than August 25th.

With best wishes for a healthy and happy 5780,

Rabbi Dovid Revah
