SHAVOUS

We hope you will join us for the leil limud on Shavuos night. The Bais Medrash will be open for Chavrusa learning from 11:30 pm and there will be chavrusa learning and shiurim throughout the night. This year the Merkaz Hatorah Kollel will be joining us to create a vibrant Bais Medrash.

SIYUM HASHAS AND NACH

B"H we have had a good response to our Siyum initiative announced at the dinner. Our goal is to finish Tanach and Shas by next year's dinner. (Shas being completed by men and Nach by women).

We have commitments for almost the entire Shas and most of Nach.

We hope that everyone in the shul will participate. You can commit to a perek or a whole masechta or any amount in between. Please go to our website to sign up or speak to Rabbi Revah or Brad Lipman for more information. You can also commit to something that has already been taken. The important thing is that everyone learn something.

THURSDAY NIGHT MISHMAR

As Rabbi Revah mentioned on Shabbos, we will be starting a Thursday night mishmar program beginning June 7th. The program will be held weekly in the Beis Medrash.

We will have a learning seder from 8:30 to 10:00 PM and Rabbi Revah will give a Parsha Shiur for those who are interested at 9:35. Maariv will follow at 10:00 PM. We will have snacks throughout the learning seder and cholent during the Parsha Shiur.

For more information or assistance in finding a chavrusa for the learning seder please reach out to Brad Lipman at bdlipman@bachrach.com or Michael Kleinman at mkleinman@gmail.com.

Adas Torah Kids Corner!

Dear Kids and Parents,

Get ready for an all nighter next week on Shavuos! Make sure to hear the Aseres Hadibros early and then get some rest as there will be no groups first day of Shavuos. Don't forget to join us on Shavuos second day for our ice cream party! This week's parsha craft will be an edible baby having a pidyon haben. The answer to last week's riddle was the shofar blast after Yom Kippur in Yovel announce that slaves were free and property went back to its original owners. This week's question is who in the parsha got good neighbors and how did it help them and who in the parsha got bad neighbors and how did it influence them.

Good Shabbos!

Rabbi Avrohom Wagshul

NEW WEBSITE

Please check out our new website at adastorah.org. You can sign into your account and update any information. Thank you to Evan Silver for his work in setting up and managing the site.

We welcome all our members to join us Shabbos afternoon for learning and shiurim. However, please do not allow your children to run around the building unsupervised. It is unsafe and also disturbing to those trying to learn and daven.

SHABBOS CHABURA

Our ever-popular Shabbos Afternoon Chabura is back in full swing. The Chabura meets in shul every Shabbos, 45 minutes before Mincha and we take turns giving Halacha Chaburos with a new topic each week. **This week Rabbi Matt Rosenberg will be giving a Chabura titled: Heaven Only Knows? The Parameters of *Lo Bashamayim Hi*.** There are now more than 400 topics to choose from on the Olamot website! We would love to have new members join and give Chaburos or just to come and listen. Please see olamot.net/shiurim for the list of topics, and please speak to Rabbi Revah or Moshe Neiman (mneiman@akingump.com) if you are interested in joining.
