

PAPER PLATE PLAGUE : FROGS!

Materials:

Green paper plate (or a white plate and green paint)

Green construction paper, red construction paper

Google, wiggly eyes

Glue

Cut out 2 frog legs and 2 frog arms from green construction paper. Cut out a red tongue from the red construction paper. Fold the paper plate in half, paint it green if necessary and let dry. Glue the legs to the underside of the plate, off the straight edge,. Glue the arms to the underside of the curved side, and the tongue off to the side and on the inside of the folded plate. Glue wiggly eyes to the top and let him dry!

Print out and enlarge the following shapes if you like; size them proportionately to the plate you are using.
