SELICHOT/SHACHARIT START TIMES: The times listed for *Selichot/Shacharit* indicate the scheduled start times of the *Selichot*. These times are based on the expectation that *Selichot* will conclude about the time that the corresponding *Shacharit minyan* is scheduled to begin. However, depending on various factors, *Selichot* may end earlier than anticipated (by as much as 15 minutes), and they will be immediately followed by *Shacharit*. Thus, those planning to attend only *Shacharit* and not the *Selichot* that precede it may wish to arrive earlier than the normal start time for *Shacharit* to ensure that they will be present for the entire *Shacharit*.

SLOWER-PACED SELICHOT: The slower-paced *Selichot minyan* is designed to finish in time for the start of a *Shacharit minyan*. All who are able to do so are encouraged to attend. If you have any questions, please contact David Hes, dhes613@gmail.com.

SELICHOT COURTESY REMINDER: With late night and early morning *Selichot* beginning, please be considerate of our neighbors. We ask that you not slam car doors, not use a remote locking device that beeps, and not speak loudly near the building. Please do not block a driveway at any time. We are certain that those living close to the Beth Aaron building will appreciate our courtesy and our thoughtfulness as we recognize that our *ruchniyut* is not elevated if it is at the expense of our neighbors.

Aside from reaching our financial and operational goals, the campaign also focuses on reaching our communal goal, which is 100% participation. Please make your donation at www.bethaaron.org/yomkippur or send your check to the office, noting in the memo line that it is for
