Good Erev Shabbos,

This past week we announced a new nightly learning program that Beth Aaron is hosting in our Beit Midrash led by our rabbinic intern, Rabbi Ben Zion Feld. The program for local YU alumni will be held Monday through Thursday evenings, beginning at 9:00 pm, and has been seeing a healthy attendance of well over a dozen local young men who have committed to the program. We are very excited to host this program and to see a strong presence of Torah learning in our Beit Midrash each night. We welcome you to come see for yourself, and join the learning taking place each night in the Beit Midrash, whether learning on your own, in a chavruta, or with a group.

This weekend we are pleased to be hosting the Tefillin Awareness Project. The program will begin this Shabbat following the 5:50 pm Mincha in the Main Shul, with a shiur presented by Rabbi Rothwachs on the topic of "An Overview of the Laws of Proper Placement, Shape, and Color of Tefillin." The program continues Sunday morning, from 7:00am to 10:15am, where several sofrim from Hanacha K'Halacha (Tefillin Awareness Project) will be present at the Beth Aaron Social Hall, and will be available to perform external tefillin checks and corrections for placement of the Yad and its Keshet, placement of the Rosh and its Keshet, blackness of the Retzuot, width of the Retzuot, position of Tefilot, and Rebu'ah of Batim and Prudot. We thank the Hager family for sponsoring the project in memory of Chaya's father, Tzvi Yosef Aryeh ben ha-Rav Eliezer, whose yahrzeit is 7 Cheshvan.

We invite the kehillah to join us next Friday night, October 22nd, as we host the return of the JLE Shabbat Project Davening and Dinner. We look forward to an amazing program with delicious dinner accompanied by inspirational zemirot and Divrei Torah, and special guest entertainment. The Shabbat Project brings the beauty of Shabbat to those who may not typically experience it, and we encourage our members to come with neighbors or friends who can benefit from this amazing experience. Program and registration details can be found in the weekly announcements, and questions can be directed to Joy Sperber.

Everyone should be aware of additional programming scheduled for this coming week and beyond, in addition to the regular shiurim:
