## WE ARE WOMEN OF REFORM JUDAISM

We invite any Temple Sinai member who identifies as female to join us and share in a rich, rewarding sisterhood. We welcome your ideas, your energy and your passion.

As a 21st Century sisterhood that nurtures connections among the diverse women of Temple Sinai, we enhance the Temple Sinai community. We embrace contemporary Jewish values through service, education, spirituality and social events.

Many of us who are still discovering our potential to grow as Jewish women, find support within WoTS to learn, grow and help make an impact on our community, locally and beyond.

Our reach extends to the broader Jewish world through our membership in the Women of Reform Judaism (WRJ). Founded in 1913 as an affiliate of the Union for Reform Judaism, WRJ empowers women to create caring communities, nurture congregations, cultivate personal and spiritual growth, and advocate for and promote progressive Jewish values. To fulfill this vision, WRJ engages tens of thousands of women through a global network of hundreds of sisterhoods and women's groups.

Join us – we are stronger together, as we make a difference in the world.
