Am Shalom Shabbat **MORNING SERVICE**:
Service Options and Participants

9-20 Revision

As is Am Shalom tradition in creating an inclusive, participatory, and individual bar/bat mitzvah service experience, families are welcomed to invite close family and friends to take part in the service; choose from among reading options those that speak most to them. Please begin by making a list of close family and friends you wish to participate. **Please note: every slot does not need to be assigned. The rabbis will help guide you in your choices.**
