

## Honor Our Legacy And Shape our Future

What started out as a Hebrew Ladies' Sewing Circle in 1838 became the Women of Reform Judaism (WRJ) Sisterhood of Kahal Kadosh Beth Elohim in 1844.

Today we invite you to continue the journey. Join us to honor and preserve our legacy and to shape our future for generations to come.

## Women Who Make a Difference

If you are looking for a way to get involved, a dynamic and warm group of women looks forward to welcoming you.

Sisterhood has events, activities, and volunteer opportunities for all interests and abilities. Whether you have plenty of free time or not as much, we have something for you.

## But of course this year is different . . .

Since the pandemic has forced us to shelter since last March, Sisterhood will continue to offer enriching ZOOM programs for the foreseeable future. This will allow us to schedule a variety of Jewish cultural events that will appeal to our diverse membership. To date we've held a Challah Bake and on **October 25** are hosting a Book discussion. Other ideas include Music programs, a Havdalah event and additional Jewish Holiday baking classes. Early next year we'll be planning for the YES event, our annual Women's Passover Seder and the Matriarch event. We will be advertising our programs via our newsletter Sisterhood Chadashote and other KKBE communication platforms.

As we face unprecedented times we want to know what is important to you now. What types of programs should Sisterhood offer? What is relevant during these challenging days ahead? Can we offer anything to help you feel less isolated? Please share your ideas by emailing them to [sisterhoodevents90@gmail.com](mailto:sisterhoodevents90@gmail.com).

We hope you are excited to renew your membership if you haven't already done so OR are ready to join us for the first time. We want to see all our friends on ZOOM. Your dues are important because they are used to support KKBE including religious education and humanitarian and social causes. We also support our local Jewish community.

## WHAT WE DO

# Sisterhood
