INSTRUCTIONS FOR USE OF THIS DROP-OFF BOX

Located in the Back Right Corner of the Aish Kodesh Parking Lot

Please use this box to deposit *bedikah* cloths and garments that need to be examined.

Everything deposited in this box is picked up Sunday at 10:30am and Monday through Friday at 8:30am and delivered to the Halacha Hotline of Kollel Zichron Ephraim Heschel of the Five Towns/Far Rockaway Community. All *sheilos* are examined under the supervision of Rav Binyomin Forst. You will receive a phone call by mid afternoon to inform you of the status of your *sheilah*. If, for whatever reason, you missed the phone call, please call the Hotline at 516.239.2500 or 718.337.8370 and press prompt 6.

When dropping off a *sheilah* please include all relevant information and your phone number. It is preferable to use our *bedikah* envelopes which are available in the Far Rockaway and the Woodmere *mikvaos*. These envelopes and forms to be used with garments can also be found at this location.

The preferable manner to drop off a garment is to place it in a small bag along with all pertinent information. You can use the abovementioned envelopes to provide the necessary information and enclose it in the bag or you may put in your own card with all the pertinent information. You will find forms specifically for garments in the lock box.

Please inform us if you wish that the garment be discarded or if you wish that it be left for pick-up. If you plan to pick up the garment please do so promptly, as the garments cannot be stored indefinitely. The garments will be put in a brown (lunch) bag (since these take up less space) and the last four digits of your phone number will be boldly written on the bag with a marker. You will receive a phone call to inform you of their status and given the combination for the box in order to retrieve your garment. Any garment not retrieved within two days will be discarded.
