Information about Additional Giving Opportunities

Shabbat Nosh: Rockdale's pre-services gathering where we congregate and socialize over light refreshments to prepare for the Sabbath.

Bimah Flowers: A floral arrangement at the front and center of the Bimah at each of our worship services.

Sponsoring Shabbat Nosh and/or Bimah Flowers are meaningful ways to remember a loved one, honor a B'nei Mitzvah, or commemorate a wedding, birthday, or other special event.

Brotherhood (Men of Rockdale) offers a wide variety of social and service activities that benefit our congregation and enhance the camaraderie among the male membership of K.K. Bene Israel. All male-identifying members 21+ are invited to participate in this year's exciting calendar of events.

Annual Brotherhood Contribution is an option on this year's Sacred Commitment form.

Please note that the Women of Rockdale membership information will be mailed separately.

Youth Education & Engagement Experiences are no longer part of the Sacred Commitment process. You can expect information and registration forms to arrive separately. Please note that tuition for Religious School and Rak Noar has increased slightly this year.
