All clients are required to register annually, with proof of current address and indication of need. Both state and federal forms acknowledging receipt of food must be signed every month.

Please park your car and sign in at the registration table located at our main entrance. Please present your license or a utility bill with your current name and address. This will speed up the sign in process. Food is distributed at the same location as the sign in. Volunteers may be available to assist with getting bags to your car. If you have special needs, please ask one of the volunteers. We can't always fill those needs, but we will try. Drive slowly in the parking lot, as there are adults and children attending programs. Thank you.

ABOUT

Each month we bag enough food to support approximately 70 households. For this reason, we try to have 85 of each item we distribute. The most efficient way for us to accomplish this is through monetary donations, which we use to purchase food from the NJ Food Bank. This food is available to us at discounted rates, making it the most economical way for the Bobrow Food Pantry to serve our families.

VOLUNTEER

Volunteers are welcome and needed, especially on our bagging and distribution days. To volunteer, contact Meredith at meredithdina@aol.com.
