THE BIELSKI PARTISANS, A STORY FOR THE GENERATIONS

Aron Bell is the last surviving founder of the Bielski partisans group, the largest armed rescuers of Jews by Jews during World War II. His heroism saved the lives of countless Jews and is a shining example of the indomitable Jewish spirit. His story, chronicled in the Oscar nominated film Defiance, will be shared with us through a conversation with his granddaughter Aliza Abrams, an experiential Jewish educator at Yeshiva University.
