## FROM OUR RABBI...

RABBI ARI MARGOLIS

Welcome to the time of our P's ... no, not politics - this is the season in which we turn our hearts to the holidays of Purim and Passover. In one holiday, we celebrate with festive costumes and noisemakers and fun, triangle cookies. In the other, we gather with family, put together a special meal, and eat matzah for seven (or eight) days. Whether it is Purim or Passover, however, a central part of this time of year is re-telling our story.

What is this story? I'm sure you've heard the succinct description of each of these holidays: they tried to kill us, we won - let's eat! And while I always chuckle a bit at that version of the story (I'm sorry, I can't help it), there is an important richness and depth to each of these stories that our tradition demands we do not take for granted. For one, in each of these holidays, we celebrate our resilience and our survival, not as individuals who somehow escaped a terrible situation, but as a people, a Jewish people, taking brother and sister with us from the threat of harm into the freedom of a better future. Think of the story of Passover: would it be the same if one of our ancestors slipped away from her slave-owner, crossed-over the Red Sea and started a new life? No, the story is not one in which every person is looking out for oneself - it is a tale of community, taking care of one another, helping one another traverse the desert, baking bread to share on our backs, and coming into freedom together without leaving anyone behind.

# Legacy OF Light

## CAMPAIGN UPDATE AND SOLICITATION

We began soliciting donations to the Or Shalom Legacy of Light Campaign almost 3 years ago and are deeply appreciative of those who have given so generously. We are thrilled to announce that to date, we have secured \$524,832 in gifts and pledges!

We have made tremendous progress, but this effort will require the participation of every Or Shalom family if we are to achieve our goal of raising \$1,000,000.

If you are interested in donating or have any questions related to the Legacy of Light Campaign, please contact my co-chair, Denise Kaplan or I directly.

## FROM OUR RABBI...continued

Purim has similar themes - would the story have been the same if Queen Esther remained silent when told of Haman's plot to kill the Jews? Had she said, "Well, no one knows I'm Jewish, so I'll stay under the radar and survive," would her story be celebrated today? Instead, the people of Shushan gathered together and despite Esther's bravery in revealing who she was, the king was unable to change Haman's decree. Instead, he allowed the Israelites to defend themselves should those in the kingdom come to kill them and follow Haman's law. The difficult end of this story is one of Jews standing their ground side-by-side and working together as a community and a people to make sure there was a people who could survive this horrible day.

As we celebrate these holidays and the freedom and resilience and hope that they should bring to our heart (not to mention the delicious food), let us take to heart their message about the importance of being a people. Still today, we are a people - a people who have learned from our experiences and pledged ourselves to help other people in their times of oppression, disadvantage, threat or fear. In standing together for a common cause, we became an even stronger people. As you read through this Shofar, I hope that you can embrace the spirit of these holidays and find something you believe in that can help you stand with your Or Shalom people while we stand together and stand up for others. Whether it is joining our upcoming mitzvah day, the work being done in our social action committee and our brit olam organizing groups, celebrating the inspiration of music as Craig Taubman comes to our synagogue, or lifting up your community's Shabbat celebration because of your presence, may you find a way to strengthen yourself while lifting those around you, so you can feel the "P" of peoplehood.

## LETTER FROM THE PRESIDENT

JEFF KRUGER, *Board President*

I have been reflecting a lot over the past few months as my term as President is winding down. The work we have done these past two years has truly been the highlight of my personal Jewish Journey. This time has given me a love of community and evolved my Jewish identity. Growing up, I was the last person who anyone would have thought would be synagogue President someday. I am best remembered at Hebrew school and camp for being the snarky kid in the back (OK, *maybe some things haven't changed*). Now I believe in putting in the work, and doing that work with others. I think about these efforts every time we start all of our board meetings, with the prayer below:

ברוך אתה יי אלהינו  
מלך העולם, אשר קדשנו במצוותיו, וצונו לעסוק בצרכי צבור

*Barukh atah adonai eloheinu melek ha'olam asher kidshanu  
b'mitzvotav v'tzivanu la'asok betzorkhei tzibur.*

How full of blessing you are, ETERNAL ONE, our God, majesty of the Universe, who has consecrated us with Your commands, and commanded us to occupy ourselves with the needs of the community. This prayer frames the work we do together. It reminds us of why we volunteer our time; to cultivate something larger than ourselves as individuals. However, the highlight of each meeting for me has been what has come next, the sharing of our personal Jewish Journeys by all board members and staff. This has been the way we have really gotten to know one another. We are more than faces across a table working together to foster our community, we are sacred partners. We are our stories. We are history lessons. Our individual paths are the collective heritage of our people.

These past few weeks have been a huge time of reflection for me and my family. I now have a new appreciation for the meaning of Shiva. This is the time to share stories, to laugh, to cry, and to eat, and eat, and eat...“together, as one” as a prayer goes. I cannot begin to express my gratitude to everyone for their words and wishes in our time of remembrance. I now really believe that mourning is a commemoration of life. The process is about honoring the lives we knew and how those lives make us better. Their stories have shaped us. That is their legacy.

Looking forward, to next year's meetings, we have considered the idea of each board member telling someone else's story. Someone who's life has been made better by Or Shalom, and how (*and maybe even more importantly, why?*). I can say that being part of the Or Shalom community has made my life better. Serving our community with an extraordinary team of sacred partners has made me a better person. The support of our congregation has made me and my family feel cherished. I will never forget this warmth and I thank you all from the bottom of my restored soul.

## 55+ ARTICLE...FROM BILL MCNULTY

I have chaired our 55 Plus Social and Adult Programs for the last 10 years! I have been fortunate to have staff and volunteer help, as well as constant support from my wife, Susan. It has been educational figuring out what programs succeed, and why some did not. It is now time that someone new step in and bring some new ideas to our efforts to offer programs for our older members. It is part of the Or Shalom mission to provide programming for many ages and interests. There are various efforts with Chavurah, and other programs such as book club and current events, that fulfill some of those needs along with the 55+ Club.

**So, HELP WANTED.** We are looking for a volunteer to chair and plan 4 or more activities a year of a social or educational nature, for our 55 plus group. In the meantime, there is one last program under my leadership, on May 6, with Rhonda Wehner called **Jewish Music to Soothe Your Soul**. It would be wonderful to see many of you at my last event as Chair!

## TIP OF THE MONTH

**Eliminating personal vehicle idling is equivalent to taking 5 million vehicles off the road!**

The fumes add the greenhouse gas and other pollutants into the air.

**Here's a way to be a part of the solution:** The Green Team encourages you to kindly turn off your engine when parked, loading, or waiting to pick up your children at school.

## LAKE COUNTY UNITED & YOU!

**BUILDING RELATIONSHIPS • DEVELOPING LEADERS • ACTING FOR JUSTICE**

### Many of you may not know:

Or Shalom is a dues paying member of Lake County United, a community organizing group made up of 18 local non-profit and faith based institutions. Along with our affiliates we build deep and powerful relationships in our community to target and tackle local social injustices and build a more virtuous community.

Our work flows directly from a shared commitment to the values embodied in our Abrahamic religious and democratic traditions. In the spirit of *Tikkun Olam* we work to help repair the world and safeguard those who may be at a disadvantage.

### Here are a few recent LCU accomplishments and initiatives:

- **Mental Health Facilities:** Multiple LCU actions led to the approval and construction of Lake Behavioral Hospital with 46 in patient beds. The hospital is committed to accept patients regardless of their ability to pay.
- **Gun Violence:** Reducing Gun Violence through pressuring gun manufacturers to be responsible corporate citizens by making guns safer and helping reduce illegal gun sales. In addition, LCU members meet with city, county, and state politicians to help legislate for stronger safety laws.
- **Crisis Intervention Training:** Crisis Intervention Team (CIT) training for our local police and first responders and the establishment of mental health crisis centers to divert mentally troubled citizens from jail or emergency rooms.
- **Affordable Housing:** Lake County United continues to seek ways to improve the quality of housing for low income and senior citizens in the county. We pushed through the development of Fairhaven Crossing - a 40 unit affordable housing building in Mundelein as well as breaking ground for the new Winchester House in Libertyville for senior transitional housing and care.

**Community organizing is a powerful force for change.** Our success depends on participation of concerned citizens like you. There are many opportunities for involvement at many different levels. To learn more please come to our annual assembly on Sunday, April 19th. *(time and location to follow)*. Or please reach out to Or Shalom's representatives Art Noparstak (artnoparstak@gmail.com) or Lee Sachnoff (Leesachnoff@gmail.com)

## Head out on the highway Looking for adventure!

**THAT'S RIGHT! WHILE IT MAY NOT BE  
A HIGHWAY—IT IS AN ADVENTURE!**

Congregation Or Shalom has adopted St. Mary's Road, between Route 60 and Everett Road. Keeping it clean just takes a little time, and a small group of friends. The county provides the equipment, and we provide the people. It makes a great Mitzvah project.

## MAKE A DONATION

Or Shalom has a variety of funds to mark special occasions; commemorate life-cycle events; or to show appreciation for acts of kindness. These funds are used to support major extra-budget educational, religious and social action programs. Please mail donations to the Temple office, designating the specific fund and the acknowledgement information.

► **Florence and Arthur Bogeaus Youth Scholarship Fund**

Donations to this fund will be used to provide Jewish educational experiences for children and teenagers.

► **Building Improvement Fund**

Donations to this fund are used to help defray costs associated with upkeep and maintenance of the building.

► **Cantor's Discretionary Fund**

► **Caring Committee Fund**

Donations to this fund are used to help defray costs of providing items of comfort in times of illness, surgery or loss.

► **Generations of Light Fund**

Donations to this fund are used to help defray the expenses of our New Building.

► **Levenfeld/Kritzler Fund**

Donations are used to fund the Scholar-in-Residence program.

► **Library Fund**

Donations to this fund are used to purchase new books.

► **Music Fund**

Donations to this fund are used to help defray costs of new music and special music programs.

► **Stephen McNulty Youth Fund**

► **Prayer Book Fund**

Donations to this fund will be used to purchase our Reform prayer book, Mishkan Tfilah. A book plate will be placed on the inside cover of the book acknowledging the donation.

*The minimum donation to this fund is \$50.00.*

► **Religious School Scholarship Fund**

Donations to this fund are used to allow all of our children to benefit equally from our educational program by giving scholarships to deserving students.

► **Rabbi's Discretionary Fund**

Donations to this fund are used to make scholarships available when needed, to help support special activities and to give to worthy causes at the Rabbi's discretion.

### MEMORIAL PLAQUES

***The purchase of a Memorial Plaque is a special way to permanently remember a departed loved one.***

For a \$480.00 donation, an engraved plaque will be added to the memorial board in the sanctuary. This can be done at any time, but it is an especially meaningful way to commemorate a *yahrzeit* (anniversary of the date of death). If you would like to make arrangements to purchase a plaque, please call the Temple office at (847) 362-1948.

### TREE OF LIFE

***The purchase of a leaf on the Tree of Life is a special way to commemorate a family simcha such as a new birth, a wedding, special anniversary, Bar/Bat Mitzvah or any other special event.***

For a minimum donation of \$250.00, an engraved leaf will be added to our Tree of Life. For a minimum donation of \$1,000, a stone will be placed at the bottom of the Tree of Life and can be inscribed in honor of a family member for any occasion. Please call the Temple office at (847) 362-1948 to arrange to purchase a leaf or stone.
