

2021-2022 SISTERHOOD MEMBERSHIP

JOIN US! We are a dynamic, vibrant and warm group of women. We are stronger together.

WHO IS SISTERHOOD? We are a dynamic multigenerational group of Jewish women who come together to learn, to make a difference, and to discover the joys of friendship and the strength of Sisterhood.

WHERE DOES MY MONEY GO? Your annual commitment to Sisterhood goes to fund our educational and social programs, special projects, and to supporting our Synagogue and other Community and Jewish organizations. In 2020-2021 we donated nearly \$35,000 to the Synagogue, UJA, and the WRJ YES Fund, among others.

HOW CAN I PARTICIPATE? Our activities and events this year are likely to be a mix of in-person and virtual, as the impact of COVID continues to evolve. Last year we proved that even without in-person events, we were able to continue our connections, make new friends and enjoy each other's company. Regardless of format, this year you can expect to find engaging book talks and author visits, cultural enrichment through music and art, Mah Jongg and Canasta, social action initiatives, holiday fun for families, and lots more!

Membership levels start at \$54, but please consider joining at a “chai-er” level!
