

Sisterhood Shabbat

Saturday, January 19th, 2019

10:00 AM

Guest Speaker: Dar Nadler

Jewish National Fund - Zionism in the 21st century

Jewish National Fund has evolved way beyond trees and is now engaged with building the state of Israel.

Today, JNF is invested mainly in Negev and Galilee and is leading in the fields of building communities, encouraging people to live in the Negev and Galilee, developing employment opportunities, investing in the field of special needs and disabilities and is leading on an international level in the field of state of the art water solutions.

**Join us for the service,
and then stay for
Kiddush and lunch.**

There is no charge to this event, however so that we will be able to prepare enough food and not run out,
