

The Sisterhood of Beth Shalom B'nai Israel invites you to:

Torah Study Shabbat April 5 & 6, 2019

With guest scholar: **Rabbi Mychal B. Springer**

*Helen Fried Kirshblum Goldstein Chair in Professional and Pastoral Skills
at the Jewish Theological Seminary*

Rabbi Mychal B. Springer founded the Center for Pastoral Education at JTS in 2009, establishing relationships with hospices, Jewish social service agencies, and—most recently—prisons and reentry facilities, allowing students to learn the art of pastoral care as they serve marginalized populations.

The first Conservative rabbi to be certified as a supervisor by the Association for Clinical Pastoral Education (ACPE), Mychal has built a program that uniquely equips graduates to meet the spiritual needs of all people they serve. She holds the Helen Fried Kirshblum

Goldstein Chair in Professional and Pastoral Skills at JTS and oversees the Certificate in Pastoral Care & Counseling. She teaches the First Year Rabbinical School Seminar in Theology and courses on topics including *bikkur holim* and Sexuality & Gender for Religious Professionals. Mychal also serves as chair of the JTS Committee on Sexuality and Gender.

Mychal received her BA in Judaic Studies and Religious Studies from Yale College *magna cum laude*. She was ordained a Conservative rabbi and received her Master's in Judaic Studies at JTS. Mychal is a certified Jewish chaplain in Neshama: Association of Jewish Chaplains.
