

Toddlers Together

Transition class for children age 2 by 5/1/19

Registration Winter-Spring 2019

Our Toddlers Together school-readiness class helps children make a smooth transition to their first independent school experience. Children learn the routine of a typical school day, including sensory and fine motor play, art, snack, gross motor play, and circle time (books/songs, dramatic movement). They also learn age-appropriate social-emotional skills that are important for success in school - cooperation, non-verbal/verbal communication, and trust in new adults. Activities are geared for children 18 months and older and vary each week; a comfortable routine is established.
