

## K-7 CLASS PARENT VOLUNTEERS CLASS PARENT CONNECTORS

We'd really like to have 2 parents for each class group to "connect" families to the Temple community and to one another. The class parents' main task will be to help set up and facilitate one social action event for each grade, with help from the Religious School Committee members. In addition, we may ask you to assist in making (rare) telephone calls or emails to recommend particular grade-level programs during the school year. Your input and participation will be greatly valued. Please indicate your interest in representing your child's K-7 class for the 2018-2019 school year, below.

Kindly return this sheet with your Registration Packet.

Thank you for your support and participation,  
Religious School Committee and Patti Kahn

## RELIGIOUS SCHOOL COMMITTEE

The Temple Sinai Religious School Committee meets one weekday morning per month . We review school curriculum, policies and special issues as they arise. We assist the Director of Education as an advisory board.

We want to expand our committee to include more parents from the K-12 school. We` urge you to join our collegial group as we continue to work toward providing the very best program possible for our children, teens and families. Your participation will be greatly appreciated and rewarding.

Kindly return this form with your registration packet.

Thank you for your support and participation.
