OFFICIAL 5 YEAR PROGRAM BEGINS IN GRADE 3

We have an outstanding K-2 Academy program for our Kindergarten, Grade 1 and Grade 2 students and families. In fact, an early childhood and primary school experiential Jewish education is the most effective path for developing a strong and positive connection to Judaism and to the Temple community. We certainly recommend enrollment of your child in our excellent and fun K-2 program. Our Bar/Bat Mitzvah track program begins in Grade 3.

All students must enroll in Religious School by Grade 3. Students learn to read Hebrew in Grade 3. Late entrance students (grade 4 or above) must be tutored in the summer prior to September to learn to read Hebrew. These students will continue to learn Hebrew in our Hebrew Learning Center and will only be admitted to a regular class after completing the Hebrew reading course.
