 - Jason Siderman, grade 5
 - Saul Ziv, Wednesday, grade 7 Hebrew
- We welcome our new Israeli Educator from the Greater MetroWest Rishonim Program. Yehonatan Friedman will connect our K-7 students to Israel on Sunday during both early and late sessions. Please see his Bio in our Start of School Information Packet.
- Tzedakah = Justice. Our Tzedakah money contributions will be used to support two organizations that work to relieve hunger and poverty. We will support "Necha Malka" in Israel. Shira Gilor, a resident of Hashmonaim, Israel, developed a grassroots operation in her locality that collects surplus foods and donations to provide meals to 24 needy families in her neighborhood that have been vetted by local social workers. Our contribution will boost her courageous efforts. Our local hunger organization will be The Interfaith Food Pantry of the Oranges (IFPO), a collaboration of Interfaith groups working together to solve problems of hunger and poverty for low-income families in Orange and East Orange, N.J. We thank you ahead of time for providing your child(ren) with coins, and/or means to earn coins, to contribute to tzedakah every school session.
- Judaism Through the Nose: All of our children will be Baking more this year, ahead of special events and programs and/or to assist others in need.
- Each K-7 class will enjoy new social action/community service activities, including some off-site activities, to participate in kindness toward others and making the world a better place through *tikkun olam*.
