Preconstruction Mausoleum, Lawn Crypt, and Niche Provisions: Any undeveloped mausoleum space may not be sold unless: **THE PLANS FOR CONSTRUCTING THE MAUSOLEUM SPACE HAVE BEEN SUBMITTED TO THE CEMETERY BOARD FOR APPROVAL. THE SELLER IS RESPONSIBLE FOR ALL COSTS REQUIRED TO OBTAIN APPROVAL OF THE PLANS BY THE CEMETERY BOARD, COMPLETE THE CONSTRUCTION, AND OBTAIN CERTIFICATION OF THE CONSTRUCTION BY THE CEMETERY BOARD.** If this Agreement includes the sale of an undeveloped mausoleum space, the Purchaser may void this preneed sales contract if any of the following conditions apply: 1. The plans for constructing the mausoleum are not approved under s. 57.12(2)(b); 2. The construction of the mausoleum does not begin within 7 years after the date of the sale; 3. If the mausoleum is a public mausoleum, the construction of the mausoleum is not certified under s. 57.12(2)(b) within 9 years after the date of the sale. If a preneed sales contract is voided under the foregoing sentence, the Seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the purchaser, related all money paid by the purchaser, together with interest calculated at the legal rate of interest as provided under s. 58.04. Otherwise, construction of the Mausoleum, Lawn Crypt, and/or Niche Units provided for in this Agreement shall not be commenced until the occurrence of the earlier of the following events: (i) at least two-thirds (2/3) of all of the entitlement agencies, plotted for accordance with the plans on file in the Cemetery office of the unit, are sold or (ii) such time as Seller, in its sole discretion, deems construction can be commenced in accordance with applicable State Law. Construction of the Mausoleum, Lawn Crypt, and/or Niche Units shall be completed within sixty (60) months of the effective date of this Agreement or such shorter period as State law may provide. If entombment or inurnment becomes necessary prior to completion of the unit in which the space in this Agreement is located, Seller shall provide temporary inurnment, entombment, or inurnment, at the established inurnment, entombment or inurnment fee to the extent of the number of spaces described herein, provided however that at the time of any inurnment, entombment or inurnment, the payments are not arrears, and that no less than the purchase price of the space(s) required for immediate use has been paid. After the structure is completed, transfer will be made to the space or spaces provided for in this Agreement at an additional charge to the Purchaser.

- Seller shall:
1. Reserve the right of final design and selections of the materials used in construction of the units including the exact type of memorialization to be used
 2. Have the exclusive right to make all entombments and inurnments, seal all crypts, and install crypts from lettering or inscriptions.
 3. Not guarantee or warrant that the mausoleum spaces can be used for all entombments, due to the limitation of the size of the mausoleum chamber. See the front of this Agreement for maximum casket dimensions.

Interment Space and Lawn Crypt Provisions: No interments shall be made in the burial site until development and improvement of the said garden shall have progressed sufficiently to permit burial therein and payment in full for the space has been made. If the burial site is not sufficiently developed and improved, transfer shall be made to a site of similar size in a developed section of the Cemetery. In the event the above described lot has been sold or previously selected, Purchaser agrees to select another lot in the same block or garden of equal value. If Purchaser fails to make such selection, Purchaser authorizes Seller to make such selection. Purchaser authorizes Seller to make such selection for the Purchaser. It is agreed that if for any reason the above described lot is not satisfactory to the Purchaser prior to or upon its completion, other burial space may be selected of equal size and value anywhere in the Cemetery where available, determined by reference to the original purchase price. Seller shall have the exclusive right to make all Interments and Inurnments. Seller does not guarantee or warrant that the Lawn Crypt or Interment spaces can be used for all interments if casket exceeds size limitations. See the front of this Agreement for maximum casket dimensions.

Interment, Entombment, and Inurnment Fees: Unless specified in Items 11 and 13 on the front side of this Agreement, the service charge for Interment, Entombment or Inurnment is not included in the purchase price and is required for burial. The final fee for interment relates to the charges for excavation of the burial site in relation to the installation of the vault. The Cemetery reserves the right to perform this service at any time. The Final Fee for Interment, Entombment/Inurnment relates to the charge for opening and closing the burial site at the time of burial. An additional charge is added to the Final Fee for Interment/Entombment/Inurnment if the burial occurs on Holidays: all Saturdays, all Sundays or weekdays after 2:00 p.m. No Interment, Entombment or Inurnment shall be made until the Final Fee and all other amounts under this Agreement have been paid in full.

Perpetual Care: LLC shall set aside a percentage of the purchase price of the above designated Mausoleum, Garden Crypt, Niche, Interment or Lawn Crypt spaces as required by law of the state in which the place of interment is located, in an irrevocable Perpetual Care Trust Fund. Company shall use the net income of this Trust Fund solely for the care and maintenance of the Cemetery, for the reasonable cost of administering the care and maintenance, and for the reasonable cost of administering the Trust Fund and such other purpose as may be allowed or required by applicable law. The deposit to the Trust Fund required by this paragraph does not include deposits which may be subsequently required for perpetual care of memorials or other merchandise; and the net income of this Trust Fund shall not be used for the perpetual care of memorials, unless specific deposits for this care had previously been made to the Trust Fund.

Vaults and Caskets: It is agreed that, prior to installation, vaults are classified as merchandise for State law purposes, but once installed are classified as real property for all purposes. A Vault is required for all interments. Seller agrees that upon order of Purchaser, or designated beneficiary, to provide and have installed as needed for interment in the above mentioned Cemetery the burial Vault(s) and all to have or cause to be delivered any Casket(s) enumerated and designated in Item 2E on the front side of this Agreement, provided, payment in full for the same has first been made. Said casket shall be of the type, kind, color and model identified in Item 2E of the front side of this Agreement. The delivery and installation of Vault(s) at Seller's Cemetery only is included in the purchase price. The delivery of Casket(s) within fifty miles of the Cemetery is included in the purchase price of same. The Seller shall have the option, but not the obligation, to order and install the burial Vault(s) and to order and store the Casket(s) at any time on behalf of the Purchaser, which shall constitute delivery of same for purposes of State law. Seller does not guarantee or warrant that said Vault or said Casket can be used for all interments, due to limitation of size of the interior. The Vault limits the outside dimensions of the casket to length 85" and width 29". The size limitations of the interior of the Casket are: length 79" and width 24".

Merchandise Trusts: In order to assure the performance of this Agreement by Seller and in order to guarantee the delivery and installation of the burial Vault(s), Granite Base(s), and Casket(s) purchased hereunder, Seller agrees that it will set aside and place into a Merchandise Trust Fund sufficient money to guarantee delivery of those items and services as required by applicable law. The amounts placed in said Merchandise Trust Fund shall be administered according to the terms of the Merchandise Trust Fund agreement and applicable law.

Bronze Memorials and Monuments: Seller agrees to order a Bronze Memorial or Monument as described by Purchaser and in accordance with the Bronze Memorial or Monument design and specification selected by Purchaser. The order shall be placed either at the time of the first interment, provided said Bronze Memorial or Monument is paid in full or at the request of Purchaser after payment in full is received by Seller. The Seller shall have the option, but not the obligation, to order the Bronze Memorial or Monument at any time prior to these two events. At the point where the manufacture of the Bronze Memorial or Monument is complete except for the final dates and scrolls, title to and ownership of said Bronze Memorial or Monument shall pass to the Purchaser whether or not evidenced by any type of notification to the Purchaser. In the case of a Bronze Memorial the following conditions apply: (i) the Bronze Memorial shall be affixed to a granite base; (ii) any tri-scrolls are included in the cost of the Bronze Memorial; and (iii) installations and future care charges for said Bronze Memorial are not included in the above mentioned price of the Bronze Memorial unless specified in Item 3J on the front side of this Agreement. The Seller is responsible for the installation of the Bronze Memorial or Monument only if payment is made by the Purchaser to the Seller for the installation charge. If the Bronze Memorial or Monument is not ordered within thirty (30) days of the signing of this Agreement, Seller further agrees to pay to the Trustee of the Merchandise Trust Fund, such amount equal to or greater than the minimum standard required by the law of the State in which the place of interment is located. Purchaser agrees to pay the Seller and/or Cemetery, of Purchaser's choice, the reasonable charges provided for in the rules and regulations of the Cemetery in regards to installation and future care of Bronze Memorials and/or Monuments, where such charges have not been previously paid.

Delivery of Cemetery Merchandise: If this Agreement is a preneed sales contract, delivery of cemetery merchandise shall be made at the election of the Seller in one of the following ways (unless specified otherwise hereon): 1. By affixing the cemetery merchandise to the cemetery lot or mausoleum; 2. By storing the cemetery merchandise in a warehouse that is located on the property of the Seller if the Seller insures the cemetery merchandise and the preneed sales contract requires the Seller to ultimately affix the cemetery merchandise to the cemetery lot or mausoleum without additional charge; 3. By storing the cemetery merchandise anywhere on the property of the Seller if the property of the Seller is located in this state. The Seller insures the cemetery merchandise and the preneed sales contract requires the Seller to ultimately affix the cemetery merchandise to a cemetery lot, to the outside of or the grounds surrounding a mausoleum or to any other outdoor location without additional charge; 4. By storing the cemetery merchandise stored in a warehouse that is not located on the property of the Seller if the warehouse has agreed to ship the cemetery merchandise to the Seller, purchaser or beneficiary named in the preneed sales contract without additional charge to the Purchaser and the preneed sales contract requires that the cemetery merchandise ultimately be affixed to the cemetery lot or mausoleum without additional charge. If the cemetery merchandise is delivered under this paragraph, all of the following apply: a. At the time that the preneed sales contract is entered into, the Seller shall provide the Purchaser with the name, address and telephone number of the warehouse and inform the Purchaser that the warehouse is approved by the Cemetery Board. b. If the name, address, telephone number or approval status of the warehouse changes before the cemetery merchandise is delivered, the Seller or warehouse shall notify the Purchaser in writing of each change within 30 days after the change. c. The cemetery merchandise shall be delivered within 30 days after receipt of written notice from the Purchaser or beneficiary requesting the Seller or warehouse to deliver the cemetery merchandise.

Upon or after the occurrence of an Event of Default, Seller will give Purchaser timely notice. The notice shall be sent by certified mail to Purchaser's last known address as shown on Seller's records. This notice will provide the time, amount and performance necessary to cure the default. Purchaser's right to cure the default shall expire at 5:00 p.m. Eastern Standard Time on the twenty first (21st) day after Purchaser's receipt of Seller's default notice, and Seller may suspend further performance until a cure has been effected. If Purchaser does not cure the default as provided in this notice within the twenty one (21) day period, Seller's rights include, without limitation: (i) the right to devote all sums due in the Agreement to be immediately due and payable and (ii) the right to require Purchaser to pay Seller's actual, necessary and reasonable costs of collection, including Seller's own costs. If Purchaser does not meet the Purchaser's obligations under this Agreement, Purchaser may lose the funds in the Merchandise Trust Fund, if any. In the event Purchaser cures an Event of Default, Seller may impose a delinquency charge of five percent (5%) of a payment, or \$2.00, whichever is less, subject to applicable law.

7. For purposes of this Agreement, Purchaser shall be defined to include Purchaser, or Purchaser's beneficiary, next-of-kin or personal representative.

8. Waiver of any default shall not constitute waiver of any subsequent default. Seller's rights and remedies are cumulative and alternative. Any provision hereof found to be invalid under the laws of the United States of America or any State thereof shall be invalid only with respect to the offending provision. All words used herein shall be construed to be of such gender or number as the circumstances require. Purchaser and Seller represent that this Agreement and the Family Protection Certificate, if applicable, contain the entire agreement of the parties with respect to the cost and terms of payment for the items and/or services thereof (between the parties related in this transaction).

9. The term Grave Spaces as used on the front side of this Agreement refers only to interment rights to the extent of the number indicated. The number of burial lots will vary depending on the items installed.

10. **Notice To Married Purchaser:** No provision of a marital property agreement (including a Statutory Individual Property Classification Agreement pursuant to Sec. 766.557, Wis. Stats.), a unilateral statement under s. 766.59 or a court decree under s. 766.70 adversely affects the interest of the Seller, unless the Seller, prior to signing this Agreement, is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision when this Agreement is signed.

11. If the Purchaser pays off this Agreement early, the Purchaser may be entitled to a partial refund of the finance charge, which shall be computed based upon the "Rule of 78".

12. The only warranties, expressed or implied, granted in connection with the merchandise sold pursuant to this Agreement are the express written warranties, if any, extended by the manufacturer for the merchandise in question. No other warranties, including warranties of merchantability or fitness for a particular purpose, are extended by the Seller.

13. In accordance with State Law, finance charges may be imposed if a preneed agreement provides for delivery of items or services prior to the time of need; provided, however, no finance charge may be imposed or accrued prior to the installation of a Vault in the Purchaser's burial space or prior to completion of construction of the Mausoleum, Lawn Crypt or Niche Unit.

14. The Seller shall be responsible for repairing or replacing, at Seller's option, any delivered items that were damaged or destroyed prior to the time of installation in or on the Cemetery grounds; provided, however, the responsibility of the Seller for Vaults shall continue through burial.

15. Purchaser agrees, if requested by Seller, to fully cooperate and execute changes to this Agreement if clerical or similar errors are found after it has been signed. Such a request will only be made by Seller if reasonably necessary to implement the terms and intent of this Agreement. The provisions of this section do not afford Seller any rights other than those already contained in this Agreement. Purchaser's failure to comply with the provisions of this section shall also constitute an Event of Default under this Agreement.

16. If this is a preneed sales contract and the Purchaser voids this preneed sales contract at any time within 10 days after the date of the initial payment, the Seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the Purchaser for cemetery merchandise that has not been supplied or delivered and for any mausoleum space. If this preneed sales contract for the sale of cemetery merchandise requires the Seller to physically alter any cemetery merchandise, if the Purchaser voids the preneed sales contract at any time before the Seller has physically altered the cemetery merchandise in a manner or to a degree that makes the fair market value of the cemetery merchandise to the general public lower than the sale price of the cemetery merchandise under the preneed sales contract or within 10 days after the date of the initial payment, whichever occurs first, the Seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the Purchaser for cemetery merchandise that has not been supplied or delivered.

17. If this Agreement includes purchase of direct cremation or burial service, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers that the Seller provides for direct cremation are described on our price list.

RECITALS

- A. Purchaser previously purchased 100 Burial Rights in Sunset Memory Gardens (“Cemetery”) from Owner’s predecessor-in-interest in 2009; an additional 100 Burial Rights in the Cemetery from Owner’s predecessor-in-interest in 2013; an additional 104 Burial Rights in the Cemetery from Owner’s predecessor-in-interest in 2016; and an additional 104 Burial Rights in the Cemetery from Owner; and it is hereby confirmed that included are an additional 25 “second burial” cremains (the 408 Burial Rights, and 25 second burials, collectively, the “Existing Burial Rights”); all as more particularly set forth in the separate purchase and sale agreements (with any addendums and/or exhibits thereto) (collectively, the “Existing Purchase Agreements”).

- B. The Existing Purchase Agreements provided that Sellers would reserve 500 addition burial rights for purchase by Purchaser for a certain period of 24 months and extended to Purchaser a certain right of first refusal for an additional 364 (hereby reduced from 372) burial rights in the Cemetery as more particularly set forth therein. The Agreement and this Addendum fulfill the parties’ obligations with respect thereto and Purchaser shall have no further rights to acquire burial rights in the Cemetery pursuant thereto.

AGREEMENTS

1. It is hereby agreed by Purchaser and Sellers that the provisions of this Addendum modify and add to the Agreement and, where referenced herein, the Existing Purchase Agreements. Except as herein supplemented, modified or added to, the provisions of the Agreement remain in full force and effect. In the event of any conflict between the provisions of the Agreement and the provisions of this Addendum, the provisions of this Addendum shall control. Capitalized terms used but not otherwise defined in this Amendment shall have any meaning ascribed to them in the Agreement.

2. In addition to the Existing Burial Rights being purchased by Purchaser and being sold by Owner pursuant to the provisions of the Existing Purchase Agreements, Purchaser hereby agrees to purchase from Owner, and Owner hereby agrees to sell to Purchaser, eight hundred sixty-four (864) additional single depth burial rights (each an “Additional Burial Right” and collectively, the “Additional Burial Rights”), located within the Cemetery, containing the spaces in each Lot listed on Exhibit A hereto and shown on the recorded plat of the Cemetery recorded in the office of the Register of Deeds for Dane County, Wisconsin as Document Number 2178848, for the price of Five Hundred Fifty Thousand Eight Hundred Dollars (\$550,800.00) (“Purchase Price”), payable in full upon execution of this Addendum. Upon the Purchaser paying the Purchase Price, Purchaser will own the Additional Burial Rights subject to the Rules and Regulations of the Cemetery.

3. Owner shall deposit 15% of the Purchase Price received from Purchaser with the financial institution trustee of the Cemetery's care fund within thirty (30) business days after the last day of the month in which received as provided by Wisconsin law. The income from the investment of the care fund shall be expended by Operator for the care and maintenance of the Cemetery's lots and grounds, except that if the amount of income exceeds the amount necessary to maintain the Cemetery's lots or grounds properly, the excess amount may be used to maintain any other portion of the cemetery. Sellers hereby waive the right provided by Wisconsin Statute 157.11(7)(a) which would otherwise enable the Cemetery to annually assess the Additional Burial Rights for amounts not to exceed the amounts reasonably required for actual and necessary costs for cleaning and care of cemetery lots and care and improvement of the cemetery. Purchaser and Operator shall develop a mutually acceptable perimeter landscaping plan for the border of the garden of Beit Olamim section at the Cemetery, for which Purchaser shall pay half of the installation cost as it comes due from invoices by the contractor and/or invoices from the Operator doing said work; provided, however, Purchaser shall indemnify and hold Sellers harmless from any mechanics liens attaching to Owner's real property should Purchaser fail to make payments that give rise to a mechanics lien. Operator shall be responsible for the upkeep and maintenance of the perimeter landscaping.

4. Operator agrees for a period of five (5) years from the date of execution of this Addendum to sell to Purchaser (or its assigns) for use for burials in spaces included in the Additional Burial Rights and applying to the Existing Burial Rights an outer burial container (vault) including a bottomless option for the price of \$885.00 and an opening and closing interment fee for the price of \$1,000.00. The prices for a vault and an opening and closing shall be subject to a 5% increase at the beginning of each five (5) year period thereafter. It is understood that the Cemetery requires installation of a vault for each burial. Overtime charges set forth on the Cemetery's price list shall be applicable to both Additional Burial Rights and Existing Burial Rights. Sellers shall also provide for the Additional Burial Rights and the Existing Burial Rights at an additional per burial charges (i) Vault Installation/Handling Fee of \$185.00 (which price shall not increase prior to January 31, 2019 and shall increase by no more than 5% per year until December 31, 2029); and (ii) Memorial Installation Fees (either flush or upright) at \$250 (which price shall not increase prior to January 31, 2019 and shall increase by no more than 5% per year until December 31, 2029). Any conflict between the Existing Purchase Agreements (and Addenda) and this Agreement (and Addendum) with respect to prices set forth in this section shall be controlled by this Agreement (and Addendum).

5. Purchaser or its authorized representative and the family/next of kin of the deceased will sign a valid interment authorization prior to a burial utilizing any Burial Right purchased hereunder. Under no circumstances may the family/next of kin of the deceased authorize any interment without the joint consent and authorization of Purchaser or its authorized representative. Additionally, no burial may occur without the family/next of kin obtaining the requisite burial permit.

6. Burials may take place on any day including weekends and all holidays except Thanksgiving Day, Christmas Day, New Year's Day and Easter Sunday. All efforts will be made

to expedite burial of the deceased, subject to variables such as weather conditions or the time of day when Sellers are notified of the death.

7. Any transfer of ownership of a Burial Right from the Purchaser to another party will require transfer paperwork approved by Sellers. Sellers agree to waive any transfer fees for transfer between Purchaser and any of its members.

8. Purchaser at its expense shall have construction plans satisfactory to Sellers (including the location) prepared by Edge Consulting Engineers, Inc. ("Engineer") for a road along the Additional Burial Rights. All warranties of the Engineer shall be extended to Sellers and the Engineer shall maintain professional services insurance in amount reasonably satisfactory to Sellers naming Sellers as loss payees. Purchaser at its expense shall obtain all governmental approvals and permits required for the road as well as any required consents of any third parties. If all such approvals, permits and consents are not obtained within two years from the date of this Addendum, this paragraph 8 shall be of no further force and effect. Curbs, drains and a rain basin to address drainage to the Cemetery's reasonable satisfaction, including water drainage that affects the adjacent property known as Tamarack Trails Condominium, shall be included in the plans. Sellers shall be responsible to pay \$17,100 of the cost of constructing the rain basin and curbs. The balance of all construction costs shall be placed in escrow with Purchaser's attorneys upon provisions reasonably satisfactory to the parties to be disbursed as payments come due. Purchaser has selected Bauer-Raether Buildings, Inc. as the contractor to construct the road. All construction shall be subject to the supervision of Sellers and no work shall proceed during a funeral service. Purchaser shall obtain mechanics lien waivers for the benefit of the Cemetery from all contractors and subcontractors prior to the commencement of any work by them. All warranties of the contractor and subcontractors shall be extended to Sellers and the contractor shall maintain construction services insurance in amount reasonably satisfactory to Sellers naming Sellers as loss payees, and liability insurance in the amount of at least \$500,000 naming Sellers as additional insureds. The contractor shall submit proof of worker's compensation insurance as required under Wisconsin law. Upon completion of the road, rain basin, curbs and gutters (and all other construction contemplated pursuant to this paragraph), Owner shall own any improvements for the benefit of the Cemetery. Operator shall provide snow plowing, repairs, and routine maintenance like sealing and repairing cracks for the road. Sellers shall bear the expense of any major repairs of the road. Any prior provisions in the Existing Purchase Agreement or any other prior agreement between Purchaser and Sellers (or any predecessor) regarding the road are hereby rescinded.

9. The Agreement, together with the terms and conditions set forth in this Addendum, shall be binding upon the heirs, executors, administrators, successors and assigns of the parties hereto, subject to applicable law. Without limiting the generality of the foregoing, each Seller (on behalf of itself and its successors and assigns) expressly agrees that in the event of a change in ownership of the Sellers and/or in the ownership or operation of the Cemetery, including without limitation as a result of a proposed sale of the Cemetery, the Sellers shall require any prospective purchaser (or other successor or assign) to expressly assume the Agreement and this Addendum, and the obligations of the Sellers thereunder and hereunder.

10. Sellers agree and acknowledge that Purchaser will be transferring the Additional Burial Rights to member third parties. Such transfer may occur without consent of Sellers, but shall not be effective until recorded on the books of the Cemetery; provided, however, that Purchaser provide Sellers with notice of any such transfer within a reasonable time of the transfer occurring.

11. For the avoidance of doubt, the following Burial Rights are included in the Existing Burial Rights:
