Pre-Planning Workshops

We invite you to learn how planning ahead provides comfort and guidance to your family and allows for a focus on Kavod HaMet ("honoring the departed"). Please join us for an informative webinar - **"The Benefits of Pre-Planning Your Final Wishes"** - as we discuss Madison's Jewish Cemetery, Beit Olamim, traditional Jewish burial rituals, and the process of making pre-arrangements. The discussion will be led by representatives from Cress and JBAM as well as a community Rabbi.

Sessions will be held:

Monday, August 17, 2020 at 12:00 pm

Thursday, August 20, 2020 at 7:00 pm

RSVP by clicking on the link below or by calling Cress Funeral Services at 608-238-3434.

Stop by and See our Beautiful Plantings!

Your donations help beautify Beit Olamim and create its serene and holy atmosphere. Last summer's landscaping projects look wonderful. Please stop and take a look for yourself!

Construction Underway!

Amid Safer at Home orders and after years of planning, the construction of the driveway began in June. The driveway will provide direct access to Beit Olamim, the Jewish section of Sunset Memory Gardens. We are very excited to continue to serve the Jewish community of Madison. We are especially grateful to the Goodman Foundation for a generous grant that enabled us to make this important community project come to fruition.

In Memoriam

"Zecher tzaddik liv'racha"

May the memory of the righteous be for a blessing

At the time of one's passing, Yahrzeit, or during Yizkor, it is a Jewish custom to perform an act of tzedakah to honor the memory of the deceased.

Contributions to JBAM enable us to provide burial plots to those in need from our community and to help us beautify Beit Olamim.

When you make a memorial donation to JBAM, we will send an acknowledgement to the family of the person you memorialize.
