TRI-TOWN DISCOUNT LIQUORS

From The Rabbi: Young Israel of Sharon Pesach Packet - 5774

To help in your Pesach preparations, please find the schedule of times and events for Pesach (in the calendar section) and the Authorization Document for the sale of Hametz (attached separately; extra documents available at the Shul). When the Vaad HaRabonim of Massachusetts, the KVH, publishes its Pesach Products list, we will send it out immediately.

SALE OF HAMETZ: Print out this Authorization document, fill it out in as much detail as possible, and please make sure to meet **personally** with me by **Sunday morning, April 13th** at the latest, to arrange the sale of your Hametz to a non-Jew. Please do NOT send the document to me or to the Shul by email – it is best to see me personally to make a formal kinyan, a formal act of confirmation on the agreement. All food products and medications consisting of, or containing Hametz can be sold.

SHIURIM: All Shabbat classes from now through Pesach will be dedicated to the laws of Pesach, including this special session: **Sunday Morning, April, 9:30 -10:00 a.m. PESACH WORKSHOP:** I will review practical preparation for Pesach, with a discussion of Pesach products and medications. Bring your practical questions.

MAOT HITTIN: Part of our Pesach preparation is making sure that those in financial need receive assistance in their own preparations. Our focus this year is on a Tzedaka Fund in Israel that does extraordinary work helping the poor throughout Erez Yisrael: **Yad Ezra**. I have seen Yad Ezra and the work it does first hand and I am very impressed. Checks made out to Yad Ezra can be given to Rabbi Sendor. 100% of your donation goes to genuinely needy people. I am also accepting donations payable to the Young Israel of Sharon Tzedaka Fund for Tzedaka to those who are needy in Sharon and the Greater Boston area. All donations go entirely to help needy families and individuals buy what they need for Pesach. Please make your donations early so they can be disbursed well before Pesach, to provide real assistance to those in need. It would be helpful if you could give your donation by March 17 so that the families affected can receive funds in a timely way.

QUESTIONS: If you have any questions about Pesach preparations or products, please call Rabbi Sendor at (781)784-5391 or email at meir@sendor.org. The excellent website Kashrut.com, run by Arlene Mathes-Scharf, provides easy-to-access and up-to-date Pesach product information from the most reliable kashrut agencies. Some books in English that can assist you in Pesach preparations and the Seder include R. Avrohom Blumenkrantz' z"l The Laws of Pesach: a Digest, (including an extensive list of current food products and medications that are kosher for Pesach); R. Shimon Eider's z"l Summary of Halakhos of Pesach; 2011 Passover Directory: Star-K Comprehensive Information and Product Guide. These are available at the Israel Book Shop.

On behalf of Anne, our family and myself, we wish you and your families a Hag Kasher ve-Sameach, a kosher and a happy Pesach, Rabbi Meir Sendor

From Our President

In Parshat Shmini, B'nei Yisroel celebrates the final dedication of the Mishkan with the first Korbanot. When I think about the effort it must have taken to coordinate and build the Mishkan, I marvel that it was ever completed. There were no computers to manage the schedule, there were no cell phones or email to keep in constant communication. They were in the desert and only had the items they left Egypt with as the raw materials. Hashem supplied the plans but they had to interpret the plans, fabricate the tools and make all the parts. With Moshe and Aharon as spiritual leaders, Betzalel as the foreman, as well as with hundreds of donations and volunteers they were able to accomplish their goal.

Today our Shul functions as our local Mishkan. It takes donations from our members, many hours of volunteer time, a foreman and a spiritual leader to keep our shul running. Just as B'nei Yisroel in the desert, we gathered together last week to celebrate the work we have completed this past year and re-dedicate ourselves to our shul and community for the upcoming year. This year we had the privilege to recognize Ezra and Julie Galler, Dan Shimshak, Amir Karger and Marc Blitstein. This group of volunteers has worked tirelessly over so many years in support of our shul. They continue to give graciously of their time and talents for the greater good of the community.

I also want to thank this year's shul board and all the volunteers that put in so much time to create and manage all of our programs. I had the opportunity to see first-hand the amount of time and effort it takes to keep our shul organized and flowing. This group is dedicated to make each week's Kiddush, children's programs, adult education, minyanim, social events, shmira and building maintenance run smoothly.

I ask all of you in our community to rededicate yourselves to our shul. Find a program to get involved in, join a daily minyan, attend a class, volunteer on the board or a committee. We can all learn from the example set by our honorees and follow in their footsteps.

We starting the planning for next year's board – please call or email me if you are interested in getting involved. I will work with you to identify the best use of your talents.

– David

Get To Know Our Members, featuring the Klingers!

This month we get to know the Klinger family:
Lisa, Zamir, Leora, Tova, Dalia, and Eitan!

How long have you been living in Sharon?
It will be 10 years this summer!!

Where were you living before and what brought you to our lovely town?
We were living in Brookline and had just started the house hunting process! Lisa obsessively checked the Young Israel of Brookline's online postings for a magical condo or house that had more than one bedroom and was under a million dollars, when she stumbled across a posting in the "Houses to Sell" section that said "Looking for more affordable housing??" Lisa clicked on it, got sent to a site for Sharon, MA listings and the rest is history...

What is your favorite part of Sharon?
We all love how beautiful and safe it is here in Sharon. We love all the parks and of course the lake. Also, where else can you leave your front door wide open while you are away for Thanksgiving vacation and come back to not a single thing out of place? (This is purely hypothetical because who would actual do that... next question!)

What do you do to keep busy, for work and play?
Zamir works in finance in Boston (or if you ask Dalia, he works at the train station..). Leora and Tova are busy being a 2nd grader and kindergartner, and Dalia and Eitan like to go to Shaloh House, Easton Children's Museum, gymnastics, and wherever else Lisa takes them.

Tell us an interesting tidbit about yourselves!
When we first moved into this house there was a large above ground pool. We had it removed. Don't tell our kids – they might never talk to us again. Hmm, maybe tell our kids...

Purchase of Yahrtzeit Memorial Plaques

You can memorialize a loved relative or friend who has departed by purchasing a Yahrtzeit Memorial Plaque.

The plaque is hung on the yahrtzeit board in the sanctuary of the Young Israel. Light bulbs are lit on the occasion of the yizkor services and the name of the departed individual is read aloud by the Rabbi at the time of the yizkor prayers. In addition, a reminder card is sent to the purchaser with the date of the yahrtzeit.
