Presidents Message

This is a story about four people named **Everybody**, **Somebody**, **Anybody**, and **Nobody**. There is an important job to be done and **Everybody** was sure that **Somebody** would do it. **Anybody** could have done it but **Nobody** did it. **Somebody** got angry about that because it was **Everybody's** job. **Everybody** thought **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it. It ended up that **Everybody** blamed **Somebody** when **Nobody** did what **Anybody** could have done. *Unknown*

There is a new normal to life as we know it. Havurah currently is planning not only for the end of this year but the year ahead of us. Even in these taxing times CHS Committees continue with their limited capacities: Membership has continued greeting new members with "front porch" visits; Outreach spearheaded the No Food Food Drive for the Caring Place where \$2224 was collected; Education has coordinated two upcoming programs: *Little Known Jews of Texas* and *An Introduction to Genealogy (General and Jewish)*; MiSheberah has kept the congregation up to date with correct information for services and Ritual continues Zooming CHS Friday Night Shabbat Services while working on what will be needed for CHS members during the upcoming High Holy Days. Ritual also has developed a "virtual oneg" where members can contribute and participate.

So in Havurah **Somebody**, **Everybody**, and **Anybody** is getting **Nobody** jobs done. There are many ways you individually or collectively can participate in CHS. Ask yourself who are you and who are you going to be- **Everybody**, **Somebody**, **Anybody** or **Nobody**.
