

Welcome to our Congregation Havurah Shalom website.

I am honored to serve as Havurah Shalom's president and to work with our talented and dedicated Board of Directors.

We are a Jewish religious group of volunteers who have joined together to enrich our lives with Jewish content.

We offer religious services, social events, educational programs and give back to the Georgetown/Williamson County community.

We welcome new members to join our Havurah and participate in the many enjoyable and fulfilling activities that we offer.

We know this is a place where you will find warmth, purpose, a sense of belonging and meaningful friendships.

Sincerely,

Laurel Kupperman, President
