

YIZKOR MEMORIAL BOOKLET 5781/2020

We will soon be creating a digital Book of Remembrance for this years High Holy Days, and it is our desire to provide a book that is as complete and accurate as possible. The name of each *yahrzeit* in our membership database will be included. You may choose to add a special remembrance, in the form of a line or box, to the Book of Remembrance. Donations are appreciated.
Mail this completed form to the synagogue office no later than September 4.
