REMEMBER THEM

We are the witnesses to the stories and memories of the last survivors of the Holocaust. It is critical that we hear their voices now, vividly connect with their individual experiences, and accept and transmit their legacy to future generations.

Sh'eiris Hapleitah presents the inspirational narrative of the concentration camp survivors after their liberation and their early existence in the Displaced Persons camps. The film focuses on their tremendous resilience and determination to rebuild their shattered lives and rekindle Yiddishkeit and Torah life. The much acclaimed documentary will be shown in community shuls around the globe during the Three Weeks.
