MESSAGE FROM THE BOARD OF TRUSTEES
As summer begins, the Board wishes all of KAJ’s members an enjoyable, safe and restful summer season.

SHOVUOS 5777

Our Beis Knesses was once again resplendent in flowers and greenery as befitting Zman Mattan Toroseinu. Since this transformation began about two days before Yom Tov, some of our Yeshiva’s classes were able to catch a glimpse of the work in progress. Our sincere thanks goes to Mr. Avram Gutmann who, as he has done for decades, coordinated and executed the work. He was assisted by his son, Mr. Michael Gutmann, and by Mr. Binyomin Rosenstock and Meir Levi, as well as CIT’s (Crew-In-Training) Shamshon Gutmann and Meir Lomnitz. The list of donors who contributed so generously towards the flower decorations this year is printed in this issue.

Chazon Ezra Lasdun davened both days of Yom Tov, with Mr. Samson Bechhofer leading Mincha. Mr. Victor Sussman leined and read the Akdomus. Mr. Yosef Levi both davened and leined at the first day’s Hashkomo (4:20) Minyan. Thanks are due to them all, as well as to the Choir, for ensuring the dignity and beauty of the Tefillos.

The annual Shovuos-night learning took place in both the Beis Medrash and Moller Hall. The young men of our Yeshiva Gedola helped swell the Kol Torah through the night, and Rav Mantel addressed those present. The Rav gave the Yom Tov lecture on the first afternoon of Yom Tov, after Mincha, discussing the idea that Kabbollas Hatorah was not just an acceptance of some more Mitzvos, but was an uplifting and purifying of the individual himself. The Rav mentioned Rabbeinu Bachaye’s and the Meiri’s explanation of the Mishna in Avos, Im ein kemach ein Torah, ve’im ein Torah ein kemach, along these lines, with the word Kemach denoting fine, human-level food. A coarse person used to food more fit for animal than human consumption will not easily be able to absorb Chochmas HaTorah; conversely, without Torah, the person is himself not much higher than an animal, who does not require such finer foods. The Rav noted that restraint in Gashmiyus has always been a hallmark of this Kehilla, and no small
factor behind the fact that some of the finest Torah personalities and Yungereit to be found in the Torah world stem from our Kehilla.

On the second day of Yom Tov, after Yizkor-Matnas Yad, Rav Mantel spoke in Shul, and included the annual appeal for the summer Torah Fund, a critical help to our Yeshiva. In the afternoon, a Matnas Yad reception was held at the home of Rav and Rebbetzin Mantel, allowing a grateful Kehilla to thank the Rav for the Brochos bestowed that morning. After Mincha, a Neilas Hachag was held in Moller Hall, in which the bochurim of our Yeshiva took part, and added their ruach to the singing. Mr. Alan Ettlinger, in his introductory remarks, noted that the Yahrzeit of the Kehilla's renowned Rosh HaKohol, Moreinu Dr. Raphael Moller, was the next day, Isru Chag Shovuos. He thanked the Moller family for the sponsorship of this event. Both Rav Mantel and Rav Rubanowitz spoke.

SHABBOS CHIZUK

The Kehilla enjoyed its annual “Shabbos Chizuk” on Shabbos Parashas Shelach. A sit-down Kiddush was held in Moller Hall after Shul, at which Rav Chaim Yehoshua Hoberman spoke. After Mincha Moller Hall was once again in use, as Kehilla members and friends enjoyed the end-of season Seuda Shelishis. The Senior Social Club sponsored both events.

Rabbi Yitzchok Israel emceed, and reminded those present of the many years Rav Meir Tzvi Bergman had graced this annual event with his presence. While his health no longer allows for this, his Kollel Rashbi is in just as much need of our generous support.

In his address, Rav Mantel discussed, among other things, the parallelism, as mentioned by the Maharal, between the Cheit HoEigel and the Cheit HaMeraglim. Not believing in oneself, in the sense that he has a Neshomo which is a Cheilek Eloka MiMaal and endowed with almost unlimited potential, can lead to, and is in itself, a lack of belief, Emuna, in HaKodosh Boruch Hu Himself.

Rav Hoberman, Rosh Yeshiva of the Yeshiva of Long Beach, NY, then spoke, and discussed the Chinuch challenges our generation faces, and the fine line we must keep in dealing with these issues.

SPRING SEASON SEUDOS SHELISHIS

The end-of season Shabbos Chizuk also capped off a successful Spring season of Kehilla Seudos Shelishis held in Moller Hall. Those who attended heard Divrei Torah from Rav Mantel each week, as well as a guest speaker. Rabbi Shlomo Goldberg, no “guest” here, spoke at the first Seuda Shelishis, followed, this year, each week by other “guests” in name only, our Kollel members and alumni. As Rabbi Raphael Weis mentioned at the Kollel Breakfast (see below), the Board of Trustees, and the Kehilla, salutes them for their efforts. Listed alphabetically, they were: Mr. Rephoel Bachrach, Rabbi Moshe Eisdorfer, Mr. Yisroel Gradman, Rabbi Menachem Kunofsky, Mr. Michael Meir Levi, Rabbi Shimon Margaliot and Rabbi Aryeh Winiarz.

GENERAL MEETING AND ELECTIONS

The Annual General Meeting of the membership of K’hal Adath Jeshurun took place on May 21/ 25 Iyar. Both the annual report and the financial report were presented, discussed, and approved. After the election’s results, the Board of Trustees then elected its officers: Alan Ettlinger, President; Samson R. Bechhofer, 1st Vice President; Rabbi Joel Stern, 2nd Vice President; Avram J. Cahn, Treasurer; David Hoff, Assistant Treasurer; Herbert Israel, Secretary; Dr. Johny Hellmann, Trustee.
Messrs. Chaim Yehonoson Rothschild and Daniel A. Levi were elected honorary trustees. A letter from Mr. Rothschild was read at the meeting.

Messrs. Harvey Basker, Shmuel Bodenheim, Dovid Brownstein and Rabbi Schemuel van Messel were elected to the Board of Advisors; Messrs. Harvey Bernstein, Fred Edinger and Gerald Lanzkron were elected to the Board of Controllers and Messrs. Albert Blank, Dr. Paul Breuer, Pinchas Katzenstein, Moshe Meir Klugman and Ralph Mansbach were elected to the Nominating Committee.

At this time, as we continue to wish Mr. Rothschild a Refuah Sheleima, the Board and Kehilla would like to acknowledge the tremendous amount of efforts which he has put into our Tzibur through all his years of service. His devotion was and is not limited to the Board, but has extended to his being the chief architect of the Kehilla’s Tzdeko funds, helping with and organizing Agudah activities, and arranging Magidei Shiur for the Friday night Mikro Lectures and Thursday night Chumash Shiurim, all while being a member of the morning Daf Yomi Chabura, and, together with his wife, inviting singles and married couples of the community to his table.

**KOLLEL BREAKFAST**

The annual Kollel Breakfast was held on Monday, May 29/4 Sivan in Moller Hall. The dais was graced by the presence of Rav Mantel, Rav Posen, Rav Meir Levi, Rav Yehoshua Rubanowitz, Rabbi Shlomo Goldberg and Rabbi Raphael M. Weis, the breakfast’s chairman. Rabbi Weis noted that this Seudas Mitzva was being tendered in memory of Mr. Eugene Goldman, a Chover HaKollel par excellence until his petira a few months ago. Rabbi Weis reminded the audience of Mr. Goldman’s diligence and drive to learn, as well as his phenomenal and frequently called upon speaking abilities.

Rabbi Weis applied the Mishne in Avos of Eizehu Chochom, etc., to the Chevrei HaKollel, then praised and introduced Rav Mantel. The Rav quoted the exposition of Rav Chaim Volozhiner on the possuk from Mishlei, Eitz Chaim He LaMachazikim Boh.

Rabbi Weis then introduced Mr. Michoel Meir Levi, a product of our own Yeshiva RSR Hirsch. Married to the former Gitty Eschwege of Los Angeles, Mr. Levi learned in Eretz Yisroel for over six years, before joining our Kollel three years ago. Mr. Levi delivered the morning’s Dvar Halocho regarding receiving unwarranted Chometz in one’s property on Pesach.

Rav Meir Levi was the last speaker of the morning, and discussed what was wrong in Korach’s seeming desire for yet more Kedusha (the Kehuna). Korach’s words, and Moshe Rabbeinu’s answer, reveal, however, that it was not the Ruchniyus and Kedusha that he sought. Our Chavrei HaKollel, in contrast, strive for and show a keen interest in, every new Chidush, Blatt, or Halocho.

**GRADUATIONS**

Our Yeshiva celebrated the graduations of the Pre-Mesivta eighth grade boys, the Mesivta’s twelfth grade seniors, and the Bais Yaakov Middle School’s eighth graders at the Mount Sinai Jewish Center’s ballroom, on the evenings of Tuesday, Wednesday and Thursday, June 13-16/19-21 Sivan.

The eighth grade boys were first up, on Tuesday, and could boast a good number of Washington Heights locals as members of their class, including the Class Representative to speak, Ezra Feigenbaum. Rabbi Edwin Katzenstein, chairman of the Yeshiva’s Board was the first speaker, followed by Rav Mantel;
Rabbi Shraga Soloveitchik, Menahel; and Rabbi Ephraim Fischer, General Studies principal. Mr. Yosef Levi—father of graduate Ary Levi—was the Parent Representative to speak. On behalf of the graduates and their parents, Rabbi Heshy Sobel, the boys’ rebbi, was presented with seforim, and Mrs. Sarah Bass—the Mesivta’s tireless and devoted secretary—was presented with flowers. Many thanks to Mesdames Feigenbaum and Gross who helped set up the elegant refreshments.

Those present at the Mesivta’s graduation, on Wednesday evening, heard from Rav Mantel and Rabbi Soloveitchik, and Rabbi Ephraim Fischer. Rabbi Katzenstein addressed the graduates, as did the Parent Representative, Mr. Tomer Naftali, father of graduate Avraham Naftali. The Class Representative to speak was Yaakov Held. Special surprise presentations were made to the Menahel, Rabbi Soloveitchik, and to the current and former General Studies’ principals, Rabbi Fischer and Rabbi Avrohom Hoffman. Thanks go to Mesdames Benchar and Held, as well as Rebbetzin Yehudis Levi, for helping set up the light collation.

Our sixteen Bais Yaakov Middle School seniors closed out the graduation mid-week on Thursday evening. Those present heard words of welcome from Rabbi Katzenstein and greetings from Rav Mantel. The Parent Representative to speak was Rabbi Uri Cohen, father of graduate Miss Baila Cohen. Mrs. Hena Gottesman, Menahel of the middle school, addressed the graduates and their guests, after which the valedictorians, Miss Yocheved Bauman and Miss Rivka Krause, presented some well-chosen words. Miss Reena Ghermezian was the recipient of the Character Award, and Mrs. Odelia Schlisser, General Studies’ principal, spoke, before joining with Mrs. Gottesman in the distribution of the eagerly-awaited diplomas.

Our heartiest Mazal Tov wishes to our graduates, as we wish them continued Hatzlocho in their studies, and all their endeavors. We extend the same wishes to the four young ladies of our Kehilla who graduated twelfth grade this year, Misses Rochel Leah Gordimer, Ruchama Klugmann, Devora M. Majowka and Brocha Schoenberg.

FROM OUR YESHIVA

Local
Rabbi Yoseif Yechiel Gruenebaum’s seventh grade class completed their year with a bang. They were mesayem Maseches Makkos and held a Siyum at which Rav Mantel and Rabbi Yehuda Moller, Menahel, spoke.
Shortly thereafter they enjoyed an overnight trip with their rebbi. While in Passaic enjoying some bagels and nosh, the boys heard some Torah thoughts from a former student of Rabbi Gruenebaum and alumnus of YRSRH, Rabbi Shlomo Bechhofer, now a Chover HaKollel in Passaic.

The boys headed to Lakewood, where they had the special Zechus of meeting with our Moro D’Asra, Rav Gelley. The boys were farhered in his presence, and Rafi Spoerri delivered a short Dvar Torah.

**International**

Recently, a number of our graduates currently learning in Eretz Yisrael had the enjoyable zechus of meeting up with their former twelfth grade rebbi, Rabbi Shlomo Goldberg, at a Melave Malka.
Anyone who frequents our Bais Haknesses is familiar with the signs that hang on either side of the eastern wall reminding us to insert in the שמונה עשרה at the appropriate times. What most people don’t know is who crafted these beautiful works of art and how they were made.

This coming September our Kehilla will celebrate the 65th anniversary of the inauguration of its new Beis Knesses. At that time there was a committee of dedicated members who oversaw the design and acquisition of the various furnishings and fixtures for the shul. Among the many items that were needed were signs for שאלת משיב הורח, עלה ויבוא. The simple hand-drawn signs that were used in the old shul in 90 Bennett Avenue were not deemed nice enough to be used in the beautiful new edifice. One of the committee members, Mr. Jerry G. Bechhofer z”l, informed his colleagues that his teenage sister Sonya would be happy to make the new signs using the copper-work skills she had acquired in art school. As Sonya Loeb tells the story, she didn’t have much of a choice in the matter as her older brother had offered her services before consulting her. However, she gladly undertook the very arduous task of forming the six new signs. She was given the designs drawn on tracing paper by the well-known artist Siegmund Forst. With a special tool she etched the letters through the tracing paper onto copper sheets. The next step was to press the letters out so that they were raised. After applying a special solution which blackened the entire sheet Mrs. Loeb polished just the raised lettering with very fine steel wool which brought back the bright copper color. The signs were then surrounded in a double layer frame of light and dark wood to match the design of the Oron HaKodesh. In spite of the short time-frame allotted to complete the project, Mrs. Loeb made sure that the new signs were ready to be used when the shul was opened. She fondly recalls that in his speech at the Simchas Torah Party which took place a few weeks later, Rav Breuer zt”l publicly thanked the "young lady" who volunteered her time and effort to create the beautiful new signs for our Beis Haknesses.

Although the copper signs themselves are still beautiful, the frames have been subject to considerable wear and tear over the years. As a loving tribute to their mother, Sonya Loeb’s children, Mr. and Mrs. Jan Loeb, Mr. and Mrs. Alex Kranz and Mr. and Mrs. Yaakov Potesky, have graciously offered to underwrite the cost of commissioning beautiful new custom-made frames for their mother’s artwork. The frames are made of a dark burl wood with a copper wash which complements the lettering. We look forward to having these very special signs grace our Bais Haknesses for many years to come.
MR. SAMUEL TAUB z.l.

Rav Mantel, Rav Yehoshua Rubanowitz, Rabbi Shlomo Goldberg, members of the evening Daf Yomi chaburo, as well as other Kehilla and Kollel members and friends, recently participated in the Sheloshim Siyum and Seuda for Mr. Samuel Taub, organized by and held in Dombrow Beis Medrash on June 4th / 10 Sivan.

Rav Mantel spoke, and noted that Mr. Shmuel Dovid Taub could be best described by the Tefila said each morning, Le’olam yehei odam yorei Shomayim ba seiser uvegolui, as the text reads according to Nusach Sefard, which was Mr. Taub’s Nusach. How, asked the Rav, is it possible to be Mekayem both aspects of this meimra? Are they not a contradiction? In Mr. Taub’s life we can see the answer. His Hatzneia Leches and manner of carrying himself BeShesiko screamed out and said: What a Yiras Shomayim! Whether in business or simply walking in the street, whatever he did was with this approach. The Rav continued through this Tefila and described how each verse characterized Mr. Taub’s exemplary character. Despite the unspeakable horrors and incredible losses he experienced during his formative years, he carried himself with an aura of Ivdu es HaShem BeSimcha, which positively affected all those he met. Rabbi Elchonon Stern also spoke at the Siyum.
FAREWELL, ALEX!

Shabbos Kodesh Parashas Naso saw a very special Kiddush enjoyed in Moller Hall, as the Kehilla joined together—spearheaded by Rabbi and Mrs. Chaim Aschkenasy—to wish Mr. Alexander Rosenstock a fond farewell and much Hatzlocha as he relocates to Brooklyn. As Rabbi Elchonon Stern noted this was not a goodbye; it was, rather, quite literally, a wish of “Fare well”—that Alex be Matzliach and enjoy his new home. In his brief reply, Alexander echoed those thoughts, noting that the subway runs both ways, and he is but a short trip away. He then expressed his sincere Hakoras HaTov to the Kehilla and all those individuals who had hosted, hired, and otherwise positively impacted him over the years.

SISTERHOOD LECTURE

What we see: A beautiful young woman, elegantly dressed and coiffed, with a dazzling smile and proud, confident bearing.

What we don't see: A body racked with pain, arthritic bones and joints, and tumors and cancer cells that have spread throughout the organs.

Nancy Novack began her life frolicking on the sandy beaches of sunny California, as American as apple pie. She was raised by loving parents who brought her up in a religiously pluralistic home which celebrated all holidays. She attended Hebrew school and had a Bas Mitzvah, did not attend school on Rosh Hashana or Yom Kippur and always tried to do what was right, with her limited knowledge of Jewish Law. Somehow (and we know that nothing is a coincidence), Mrs. Novack found herself in Israel studying in Aish HaTorah. She grew in her Yiddishkeit and committed to a life of Halocho, giving up the pleasures that conflicted with a frum lifestyle. She married an Orthodox man, moved to Passaic, and had five children in quick succession.

Pain and sickness reared their ugly head. For the past twelve years Mrs. Novack has had many types of medical complications and emergencies. She has spent countless days and nights in the hospital, including during Yomim Tovim and the night before her son's Bar Mitzvah. Just when she seemed to be recovering from one illness, another health problem would creep up. Initially, Mrs. Novack was incredulous that G-d could do this to her, “I did not become religious for this!” Slowly, though, she found within herself the strength to live with her reality and trust that whatever G-d does is for the best. She has been helped by many caring loving friends and neighbors (including Dr. Mindy Wechsler Weiss) and she is intent on giving back. Mrs. Novack and her supportive family are involved in Chai4Ever, an organization for children whose parent has cancer.

When Mrs. Sonja Wechsler first met Mrs. Novack in Passaic she was mesmerized by her optimistic mentality and fortitude. She was determined to have Mrs. Novack speak for the Sisterhood and spread her message of hope and faith. Mrs. Novack's presentation on May 9/14 Iyar, The Power of Positive Thinking, was emotional, compelling and powerful.

When Mrs. Novack says, “Whatever you have, you have to think you're going to get through it,” you become inspired because she has never given in to her illness. She still teaches Special Education during the school year and runs a thriving day camp during the summer. She has worked even from a wheelchair and while attached to IV poles! When she says that she set a goal for herself to work on her Emuna and Bitochon, you understand that this is the goal for all Yidden, tzoras notwithstanding. And when she says that a mountain is a metaphor for life and that she intends to climb all the way to the top, we cheer her on her journey and applaud her for her positivity. May we all be able to emulate her and heed her final
message: “Don’t stop climbing!”

LADIES AUXILIARY SPRING BRUNCH

Rabbi Yehuda Moller, elementary school Menahel of Yeshiva Rabbi Samson Raphael Hirsch, set the tone for the school's Spring Brunch on Sunday, May 14 (Lag BeOmer), with his heartfelt words of gratitude and appreciation for the important work of the Ladies Auxiliary. Referring to them as the “unsung heroes of the Yeshiva,” Rabbi Moller recognized the vital role of the Ladies Auxiliary in providing funding for extra programming which benefits the students. Using an apropos Dvar Torah to illustrate the point that a Jew is always making either a Kiddush Hashem or a Chillul Hashem and his actions are never neutral, Rabbi Moller stressed how the Ladies Auxiliary’s benevolence is totally a service for the Ribono Shel Olom and is therefore “a tremendous vehicle for Kiddush Hashem.” He feels lucky to have “such a wonderful partner-organization.” Rabbi Moller introduced Rebbetzin Gelley as “a very unsung hero.” Many tasks have landed on his desk that did not seem to be within the job description of principal. When asked who used to take care of all these matters, the answer was, “Rebbetzin Gelley!”

At the Brunch, both Rebbetzin Gelley and Mrs. Cindy Klugmann did an amazing job as co-chairs of the event, a job they have shared masterfully for many years. The Rebbetzin began by thanking everyone for their Tefillos for Rav Gelley, and said that even the doctors recognize that Rav Gelley is “being protected by Nisim!” She gave a very beautiful Dvar Torah which connected the three things for which the world was created (Hafroshas Challah, Maasros and Bikurim) with the reason we call the Mitzva Sefiras haOmer—namely, that when a person becomes successful he can lose sight of the fact that his success comes from the Ribono Shel Olom. Therefore, before he can eat of his bounty, he must do something to recognize the Hand of his Creator Who is responsible for his success.

After the recitation of a perek of Tehillim, Mrs. Klugmann spoke about Lag Be Omer as a day of celebration of the transmission of Torah SheBeAl Peh at the hands of Rabi Akiva who took to the task of rebuilding with his five new Talmidim. She made a parallel to our school, which built itself up after the horrible destruction during the War because we had a Mesora too precious to lose.

The first honoree of the morning, Mrs. Pamela Weiman, was the “Community Service Awardee.” A graphic artist, Mrs. Weiman uses her talents to benefit the Yeshiva; in fact, she designed the stunning invitation to this Brunch! Mrs. Weiman and her devoted husband have an open home and are wonderful hosts. She spearheaded The Shabbos Project in our community, a kiruv program that was part of a worldwide initiative. Mrs. Weiman was described as having joie de vivre, and as being “unflappable, practical, helpful, attentive, stoic and resolute.”

Mrs. Weiman mentioned some meaningful words from the Imrei Noam and spoke lovingly of her parents and grandparents who imbued her with proper values. She was so very happy to have the opportunity, after 31 years of living in this community, to publicly thank those who did so much to give to her and to her family. She particularly singled out Rav and Rebbetzin Gelley, Rav and Rebbetzin Mantel and Rabbi Boruch (z.l.) and (t.b.l.c.t.) Mrs. Roslyn Borchardt. The Weiman daughters and daughter-in-law recited a touching poem written in her honor.

Mrs. Yonina Berman, the next awardee, was honored as “Mother of the Year.” The Berman family used to live locally in Washington Heights; they now reside in Pomona but they continue to send their children to our school. Rebbetzin Gelley depicted Mrs. Berman as the epitome of “humility and modesty, a capable hostess and a helpful partner to her husband” in his position as rabbi. They have brought up a truly special family. As Rabbi Moller said, the Berman boys have a special “Hadras Ponnim of a Yiddishe kind.”
Mrs. Berman created a striking video collage reflecting the many reasons she chooses to send her children to YRSRH; it is certainly worthy of being an advertisement for our institution!

A most beloved educator, Mrs. Eleanor Lomnitz was recognized as Faculty Awardee. Mrs. Lomnitz has taught both Limudei Kodesh and English Studies, boys and girls. As Rebbetzin Gelley exclaimed, “You have done it all!” Mrs. Lomnitz was described as gentle and soft-spoken with the capacity to “get through to all kids so that the child is excited to learn.” “Love is her strength,” said Rebbetzin Gelley, “and Ahavas Chessed is her method!”

Mrs. Lomnitz gave a short acceptance speech in which she thanked the school and her wonderful colleagues. She is grateful for the opportunity to teach and to learn, acquiring new insights every year.

Mrs. Lomnitz’ third grade girls honored her with an extraordinary, original song which demonstrated the love and esteem in which she is held. Rivka Rochel Lomnitz (with the help of her mother, Morah Miri Lomnitz) adorably tendered a testimonial in her grandmother’s honor.

Morah Grace Aschkenasy has taught together with Mrs. Lomnitz for many years. She spoke with much admiration of her colleague, calling her “a precious jewel on our faculty.” Mrs. Aschkenasy regards Mrs. Lomnitz as a teacher whose “love, dedication and passion instills Yiras Shomayim in her charges, ensures that each child fulfills her potential and... builds self-esteem that lasts a lifetime.” Although Mrs. Lomnitz could easily come to class without preparing, having taught the curriculum many times, she always prepares anew, coming up with fresh ideas and creative ways to open the minds and touch the hearts of her students.

In honor of Mothers’ Day, Ms. Shaina Kahn gave a powerful and moving rendition of “My Yiddishe Mama.” Her melodious voice, combined with her masterful interpretation of this beloved song, made many an attendee reach for their napkin to dab away an emotional tear.

Special thanks to all the Peony, Rose, Tulip and Lilac sponsors whose generous contributions helped to create the “beautiful bouquet” which adds so much to the work of the Ladies Auxiliary, as well as to the dedicated girls who assisted with babysitting and waitressing. Kudos to Mr. Yitzchak Dyckman of Lechayim Caterers for his delectable brunch. And of course, thank you to all the devoted members of the Ladies Auxiliary for putting together such a delightful event, as well as for all the essential contributions made to the students of YRSRH!

**NEWS FROM MORIAH SENIOR CENTER**

Moriah seniors enjoyed ideal weather on their Spring Walk guided tour of the Water’s Edge Garden at Randall’s Island. They saw a wide variety of vegetation and learned a lot about the history of the island as well. It was unanimously agreed that a return trip must be scheduled to view the fall foliage.
Members of the Center took a virtual tour from the comfort of their chairs as they enjoyed “West Side Stories”, with guide Marty Schneit. Seniors couldn’t stop smiling during this multimedia presentation about the rich architecture and history of the area surrounding and north of Columbus Circle, which combined little known facts, nostalgia and humor.

One of Moriah’s favorite collaborative activities is the annual Intergenerational Bingo Game. Morah Miriam Huffman, in conjunction with her unit on “VeHadarta Pnei Zakeyn”, brought her Pre-IA Boys' class to learn and play with Moriah seniors. It is heartwarming to watch the interactions between the two groups.

Moriah seniors were treated to a Memorial Day Concert, highlighting the musical virtuosity and versatility of the mandolin. Mr. Josh Alpert, accompanied by Cantor Eric S. Freeman on the piano, presented a program spanning 400 years of music. The selections included classical, Celtic and contemporary. A few shul favorites even made it into the mix!

Moriah is actively seeking volunteers to assist with check-in and lunch service. Volunteer for an hour, volunteer once a week, or volunteer more often. The choice is yours. If you are interested it being part of our warm and welcoming environment, please call us at 212-923-5715.
If you are 60+, working or retired, this might be the time to come in and register. See what Moriah can offer you. If you would like to receive our monthly newsletter via email, please contact us at moriahcenter@gmail.com.

**Gulliver’s Gate** combines the past, present and future in unexpected ways. With your own key, experience this world for yourself, unlock its secrets, and even - become a Model Citizen and be ‘immortalized’.

SHAATNEZ
Shaatnez (wool and linen) is oft en found in garments bought even from a reliable Jewish clothing store. Therefore, it is forbidden to wear any man’s, woman’s or child’s garment that contains wool or linen until it has been determined not to contain shaatnez. To determine whether your garment is shaatnez-free, garments may be dropped off at the Kehilla office, 714 W. 186th Street at the following times:

Weekdays 9:30 – 4:30
Fridays 9:30 – 12:00

If you are not available at these times, please make an appointment by emailing shaatnez@kajinc.org. If you do not have email, call 917-359-2873 and leave a message.

Rabbi Kalman Strauss will test the garments on our premises.

Please note that it is important to leave on tags with information where garment is manufactured and list of materials contained in it.
