A monthly publication of K'hal Adath Jeshurun

November 22, 23 ט' כסלו תשפ"ד
Volume 54 Number 3

Our תפילות and thoughts continue to be focused on ארץ ישראל who, after the murder of well over twelve hundred lives, along with the ongoing holding of innocent hostages, continue to face a war of survival amidst a dangerous and uncertain situation. We join all of כלל ישראל in reaching out to הקב"ה and beseeching Him to end these atrocities, to provide the safe release of all hostages, and to allow peace to reign in ארצנו הקדושה.

TA'ANIYOS BEHA"V, KRISTALNACHT, AND YOM KIPPUR KOTTON

The Monday, Thursday and Monday preceding Rosh Chodesh Kislev are the days observed according to our minhag as **בְּהַ"ב**, (Taanios Sheini Chamishi VeSheini), as days of prayer and fasting during which special Selichos are said.

This year, the anniversary of Kristallnacht, 16 Marcheshvan, was the Tuesday before Taanis Sheini Kammo. It was on the 16th of Marcheshvan 5699, Wednesday night, November 9th and continuing into Thursday, November 10, 1938, eighty-five years ago, that the Nazi furor destroyed almost all the synagogues in Germany and Austria. Countless Sifrei Torah and other seforim were burned, homes and stores broken into and looted, and all men between the ages of sixteen and sixty arrested, many assaulted, and some ninety-one murdered outright.

Taanis Sheini Basro was also, this year, Erev Rosh Chodesh Kisleiv. Due to the ongoing, serious situation in Eretz Yisroel, the day was observed as a Yom Kippur Kotton. Chazon Lasdun led the Yom Kippur Kotton services at Mincha.

Below left, the now-famous photograph of Rabbi and Mrs. Akiva and Rachel Posner and family's Menorah, taken in Kiel, Germany, on Chanuka, 1931. Below right, the poem Mrs. Posner wrote on the back of the photograph. (" 'Judah perish!' the flag declares—'Judah lives forever!' the lights reply.")

As recent events have only reminded us anew, **בכל דור ודור עומדים עלינו לכלותנו והקב"ה מצילנו מידם**. We pray for such **הצלה וישועה**, now.

DAF YOMI SIYUM

The Daf Yomi Chaburos celebrated their finishing Masseches Kiddushin and Seder Nashim by holding a breakfast siyum on Sunday, November 5th after the 7:30 Shacharis. The Siyum was sponsored by Mr. Leon Gerstle on the occasion of his mother's Yahrzeit, the day before. Mr. Samson Bechhofer was mesayeim, and Rav Mantel addressed those present.

SALUTE TO MRS. LIESEL COHN

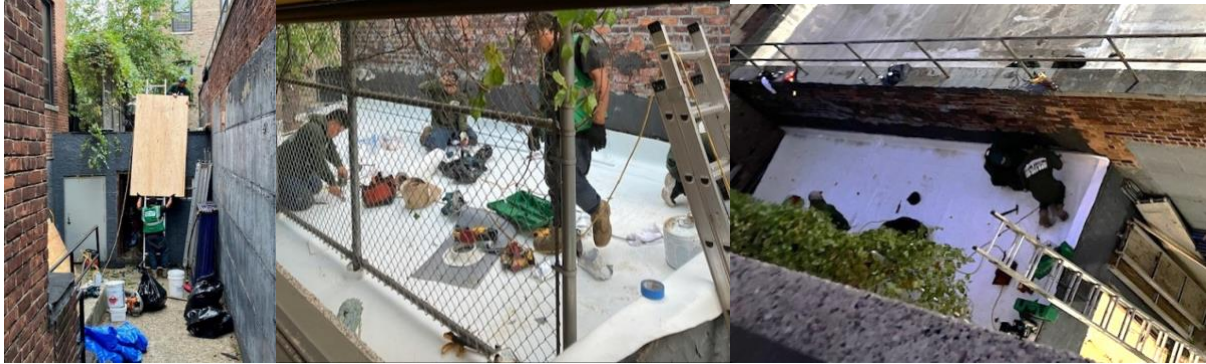

As many of our members may be aware, Mrs. Cohn has recently retired from her position at the Kehilla Office. Mrs. Cohn will continue her service in a volunteer, parttime basis. As a secretary par excellence of the office of K'hal Adath Jeshurun—a position she held for over forty years—Mrs. Cohn served with devotion, care, good humor, and discretion.

In the course of her long tenure, Mrs. Cohn helped take the office from the typewriter and carbon paper into the computer age. Mrs. Cohn saw to the myriad tasks, both great and small, that kept the office—and by direct extension, the Shul and the Kehilla—running smoothly. She accomplished this in the most unassuming, quiet fashion, with dignity, love, and equanimity. Mrs. Cohn, with her stenographical skills, also had the distinct zechus to take dictation from Rav Schwab for his article in the *Mitteilungen*. On a personal note, and as just one example of Mrs. Cohn's care and help, this writer can attest to the tremendous amount of work she put into the *KAJ Newsletter*, and to the help she has provided this editor.

The Board of Trustees, and the Kehilla altogether, owe Mrs. Cohn a tremendous debt of gratitude for her untiring work over nearly five decades. We salute her, and wish Mrs. Cohn only the best of health, and much, much Nachas from her wonderful family.

KEILIM MIKVE ROOF REPAIRS

Repairs were recently made to the Keilim Mikve's roof. As mentioned in the past issue of the *KAJN*, the Kehilla received a donation in memory of Miss Judith Darmstaedter towards the renovations. We are happy to report that the Keilim Mikve is fully back in service. Photos follow on next page.

SISTERHOOD VIDEO EVENT

By Mrs. Judy Fulda

To commemorate the yahrzeit of Rochel Imeinu (often given as 11 Marcheshvan), the Washington Heights community joined with the international Jewish community on Nov 1/18 Marcheshvan in viewing the video produced to give chizuk to Klal Yisroel during this difficult time and to serve as a fundraiser for anyei Eretz Yisroel. Mrs. Sarah Herbsman ably served as chairwoman, introduced the program and leading the assembled in several chapters of Tehillim.

Rabbi Zev Leff was the first speaker. He spoke about the recent events taking place in Eretz Yisroel and gave chizuk based on the verse, "Eis tzoro leYisroel, umimeno nivashei'o." The tragedy we are going through can/may *itself* bring the salvation. If one searches within oneself after experiencing yissurim, and finds what s/he needs to correct, and does, in fact, make such improvements/amends, then the power of good will overcome the power of darkness.

Rav Shmuel Kamenetzky reminded us that Rochel Imeinu continues to daven for us, her children in Golus. Rav Shmuel was followed by Rabbi Paysach Krohn. Rabbi Krohn stressed how we can emulate "Mama Rochel" to help bring a yeshua. We should help people avoid having pain, listen sensitively when people share their feelings, and daven for people who are going through trying times.

The message given by Rabbi Joey Haber spoke to the difficulty in dealing with our own pain and the pain of others. We're all interconnected, so we share each other's lives. We should not judge. We should focus on what we can influence and not spend too much time focusing on the things we cannot control. Realize that, often, we are all "going through the same stuff." This will help us have empathy. Giving others chizuk can have a boomerang effect on us, giving us comfort and support, as well. Lastly, having empathy can help us know how to anticipate what another may need so that we can offer it before they ask.

Rabbi Y.Y. Jacobson told a moving story about Rebbetzin Rivky Holtzberg, the Chabad shelucha murdered in Mumbai in 2008. Rebbetzin Tehila Jaeger spoke about the natural feminine instinct to be noseis be'ol and how we need to balance our deep feelings with our need for action and the capacity to "go on."

The final speaker, Rabbi Rafael Kruskal, gave an update on some of the Ukrainian refugees. He leads an operation that brought over 1000 Jews from the Ukraine to safer grounds in Romania. The cost of feeding, clothing, and housing these precious Yidden is staggering. The temporary new life he and his staff have

created for these refugees is truly remarkable. He encourages every Jew to feel areivus for each other, to help with his mission in Romania and to help the needy in Israel.

In the zechus of our mitzvos, tzedoko, areivus and tefillos, may the Yeshua come soon!

SISTERHOOD MELAVE MALKA

By Mrs. Judy Fulda

In times of tzoro we need to band together in achdus and friendship. We need to focus on our emuno and bitochon and strengthen ourselves to believe that it is all coming from Hashem and He will send us a yeshua. We need to raise our voices in shiros vetishbochos to HaKodosh Boruch Hu. All three of these things were achieved in a beautiful Sisterhood Melave Malka on Motzo'ei Shabbos Parashas Toldos (5 Kisleiv/ November 18) where we were treated to delicious food (catered by Mr. Yitzchak Dyckman of Lechayim), divrei chizuk from our esteemed Rebbetzin Mantel, and inspirational words and stories given by Mrs. Sarah Herbsman, who had been in Eretz Yisroel at the start of this milchomo.

The program culminated with a moving kumsitz led by Ms. Shayna Kahn, who thoughtfully provided a song sheet and chose uplifting songs that expressed our heartfelt emotions and wishes for a peaceful future. Special thanks to the sponsors: Mesdames Ray Adler, Breinie Gutman, Chava Gordimer, and Naomi Hellmann. Thanks also to Mr. Naphtali Herbsman who provided security for the event.

B'NOS EVENT

On, Sunday October 29th girls from Washington Heights (and beyond) got together to pack bags with winter accessories for children of families in Eretz Yisroel who have been displaced due to the war. Kudos to the heads of B'nos, Misses Rivka Blank, Russi Cohen, and Rivka Gordimer for spearheading this wonderful event.

NEWS FROM MORIAH SENIOR CENTER

In our continuing efforts to keep our members current and knowledgeable about emerging technologies, Moriah held a Virtual Reality Experience, where participants donned the most up-to-date VR headsets and were instantly transported to the edge of the Grand Canyon, the depths of the ocean, and a peaceful meadow lush with flora and fauna, just to name a few. Everyone was gasping at the reality of the feeling of total immersion in the environments.

Cantor Eric Freeman celebrated the 13th anniversary of his popular Music Monday program at the Center, by featuring a retrospective of songs from the sessions throughout the years. His programs always include upbeat and nostalgic tunes, along with tidbits of trivia and history to spice things up.

Moriah seniors were treated to a heartwarming and eye-opening live visit (via Zoom) from our Program Assistant Emeritus, Ruthy Feigenbaum. Ruthy gave a glimpse into what life is currently like in Eretz Yisroel and what it is like to be the mother of three sons serving in the Israeli Defense Forces. We continue to daven for Yeshaya, Gavriel and Ezra b'nei Rus, along with all the others.

Dr. Gil Kunken, the former Deputy Administrator for the New York Regional Office of the Federal Centers for Medicare and Medicaid Services, made his annual visit to Moriah Senior Center to educate and empower our group and provide answers to all their Medicare questions. This program always garners a large crowd of members who have done their research and come armed with thoughtful and detailed questions.

The Blue Zones, areas of the world that scientists have determined to have a higher-than-average number of centenarians, are a hot-button topic in the wellness community right now. Researchers are trying to figure out what these different areas have in common that lead to this type of longevity and come up with a plan for how they can be applied to our daily lives. Harriet Cabelly, LCSW, a therapist, positive-psychology coach, author, and speaker, with 25-plus years of experience as a licensed clinical social worker, outlined the studies that have emerged and the strategies to implement what have been referred to as the “Power 9”—lifestyle traits and how to foster a mindset of growth so that we can all live the healthiest and longest lives possible. This presentation was very animated and interactive, and it was unanimously agreed upon by all present that we must have Harriet return to the Center to present other important topics.

Of course, our now regular activities including Pilates, Movement/Exercise, Yoga, Chair Massage, Cooking/Nutrition, Law & Order (courtroom re-enactments), Music Mondays, and Book Club continue on a regular basis.

Upcoming events include a violin concert on November 23rd, a presentation on the Secrets of the Highbridge of Highbridge Park, a December 25th presentation by The Living Torah Museum discussing the history of the settlement of the Jewish population in the land of Israel and the conflicts surrounding it, and, of course, our exciting annual Chanukah Party!

To keep updated on these programs and all our exciting upcoming activities, we would like to encourage everyone to join our email list. This can be accomplished by sending an email request to moriahcenter@gmail.com

As always, Moriah continues to be available to help with benefits, entitlements, renewals, insurance and other issues.
