PESACH LIST 5781

K'hal Adath Jeshurun is pleased to inform the kosher consumer that a full range of Pesach products are available under the supervision of our Rabbinat, including matzo, meat and groceries.

The Rabbinat expends significant efforts to assure the Kashrus of products produced under our supervision and the manufacturers expend additional funds to comply with our Kashrus requirements. All products under our supervision are produced with the greatest of care for Kashrus at the highest level. Our Rabbinat and Kashrus personnel are actively involved in the production of all items under our supervision. We therefore urge our members and friends to patronize manufacturers under our supervision by buying their products whenever available.

We are confident that our members and friends will understand the importance of supporting the Kashrus efforts of our Kehilla. We therefore urge that items with other supervisions be purchased only if the brands which are under our direct supervision are not available.

Before purchasing products for Pesach, be sure to check label for "P" or any other indication that the product is Kosher for Pesach.

*Glicks, Haddar and Oneg with the **CRC OR RABBI TEITELBAUM, NIRBATER RAV** for Pesach hashgocho are acceptable.

Please note: Omission of products in our Pesach List does not imply that a product is not kosher for Pesach. It may mean that the product was not evaluated or that there presently is not enough information to formulate an opinion regarding the product.

Additional notes:

- The following are some N.Y. Hashgochos which are acceptable for Pesach products: CRC (Hisachdus); Rabbi Eckstein; Rabbi Shmuel Teitelbaum, Tartikov Bes Din (Kollel Minches Chinuch); Rabbi Teitelbaum, Nirbater Rav; Rabbi Teitelbaum, Volover Rav; Rabbi Gruber; NSK (New Square Kashrus); Rabbi Weissmandel; Rabbi Katz, Magrav Rav; Rabbi Greenwald, Tzelemer Rav; Rabbi Mordechai B. Klein from Lakewood (this is only a partial list of recommended Hashgochos.)

Please note: Omission of Hashgochos in the list above does not imply that a Hashgocho not listed is not recommended. We compiled a short list of Hashgochos to make it easier finding Pesach products when shopping by referencing the Hashgocho.

- Paskesz products with the following hashgochos are acceptable: Rabbi B. Gruber; Rabbi Illowitz of Brazil; and Rabbi Westheim of Manchester
- Any KAJ members that have any questions on this list or any other Pesach products may email their questions to Rabbi Edelstein at: kajkosher@gmail.com
