We are pleased to announce the publication by Feldheim Publishers of

Moadim Perspectives: Sefirah—Fast Days—Tu B'Shevat; Consolation and Faith.

This is the fourth volume of a compendium of insights with 35 essays from the writings of Rav Samson Raphael Hirsch, Rav Dr. Salomon Breuer and Rav Dr. Joseph Breuer on special days in the Jewish year. The three previous volumes were:

- Moadim Perspectives: Pesach — Shavuot
- Moadim Perspectives: Yamim Nora'im — Sukkos
- Moadim Perspectives: Chanukkah — Purim.

The days of the Sefirah between Pesach and Shavuot and the Fast Days, including the Three Weeks — marking the Churban and suffering and destruction thereafter — are national days of mourning and introspection that are to lead to self-betterment and our eventual redemption. Tu B'Shevat in the middle of the cold winter assures us of the coming spring — there is promise in the face of despair. And on the personal days of mourning, Shivah and Yahrzeit — days of painful remembrance of our losses — reflection on the past in the light of our absolute faith, Emunah, brings consolation to the present and inspiration for the future.
