### NOW AVAILABLE--NEW GEMACH

Some mispallelos find the women's section to be quite cold while others find the temperature just right. A new gemach has been started to provide shawls to women during davening times if they feel chilly. There are 3 shawls (6 total) on either side of the women's section, in boxes next to the coat racks. Feel free to use them and then please return them to the box after davening.
