The Kehilla office has linen for wimpels in stock. The new supply is 60" long, resulting in fewer seams in the wimpels, producing a more beautiful wimpel with less work. The price is \$40 for each piece.

GUIDELINES—ראש השנה שחל בשבת

We thank Mr. Yisroel Strauss for submitting the following review of some of the Dinim and Minhogim that are unique to our Kehilla. (This was last published in the KAJN 3 years ago.)

1. In the Tefillos and Kiddush, according to the Shulchan Oruch and our Minhag, the words זכרון תרועה are said, as in the Posuk in Parshas Emor, instead of the words יום תרועה. Most other Kehillos combine the two phrases into יום זכרון תרועה.
2. The Piyutim referencing Shofar are generally exchanged for the second day's Piyutim or else changed to the זכירה of the Shofar.
3. Usually, the Kohanim open the Aron HaKodesh for Sim Sholom after the Duchanen. However, because Ovinu Malkeinu is not recited when Rosh Hashono falls on Shabbos, the Aron Kodesh remains closed until בנסע.
4. Ovinu Malkeinu is not recited. This is the Minhag of the Ashkenazim and Chassidim. Some Sefardim, however, do recite Ovinu Malkeinu.
5. The 13 Middos are recited at הוצאה while in most other places they are omitted.
6. Shofar is universally not blown on the first day as per the first Mishna of the final Perek in Masseches Rosh Hashono.
7. The Rav's sermon takes place after הכנסה as opposed to after the Haftarah (which is when it takes place when the Shofar is blown).
8. We add ואת מוספי יום השבת הזה ואת מוספי יום הזכרון הזה before ואת מוספי יום הזכרון הזה; this explicitly indicates that Rosh Hashono has two Musafim; one for Rosh Hashono and the second for Rosh Chodesh. Most other Kehillos combine all three Musafim into one phrase, ואת מוספי יום השבת הזה ויום הזכרון הזה.
9. Our Kehilla, and most who use the Rödelheim Machzor, say לקול זכרון in ארשת. In the Eastern European tradition, the prayer ארשת is omitted entirely.
10. On Shabbos Rosh Hashono at Mincho, the final three Brochos of the Shemone Esrei are sung by the Chazon in the Shabbos Mincha Niggun. So is the Kaddish Tiskabbal that follows.
11. צדקתך is omitted, following the opinion of the רמ"א. Those who follow the מחבר do recite it.
12. Tashlich is not recited on Shabbos but on Sunday, even in those communities where there is an accepted Eiruv.

The following is extracted from "Piyutim" (Tiferes Tzvi Spring 2002)

[There are] two places in our Machzorim where, due to small print, it is possible to inadvertently follow Minhag Metz instead of Minhag Frankfurt and KAJ. The following is our Minhag, small print notwithstanding.

- First Day of ראש השנה falling on שבת – The line beginning with "כל יושבי תבל" is said by the שליח צבור out loud before אדר והוד (it is not said, however, after אדר והוד).
- Second Day of ראש השנה falling on Sunday – The line beginning with "תעיר ותריע" is said out loud before אדרת ממלכה (it is not, however, said afterwards)

Original & exclusive set of 62 exquisitely designed

Parsha Cards

The perfect gift.

Each Parsha Card has a unique, decorative background. The set comes with a Lucite easel which can be displayed next to your Shabbos candles or anywhere else in your house so everyone will be reminded of the weekly Parsha.

\$36 / Set

\$100 / 3 sets
