The New York State Education Department has recently released guidance detailing how all yeshivos and nonpublic schools must be "substantially equivalent" to public schools. The guidance has the potential to make virtually every Jewish school in New York State illegal. The Agudah has created a webpage through which one can easily send a letter to state officials registering our protest about the Education Department's gross overreach of government power:

With the recent return of 1000's of women from this Winter's JWRP (Jewish Women's Renaissance Project) trips, Partners-in-Torah finds itself in great need of female mentors aged 32- 55.

Of course they could also use Male and Female mentors of all ages, but this is a current pressing need.

If you or anyone you know who may be willing to devote 30-60 minutes weekly to phone/Skype learning, please sign up at www.partnersintorah.org/iwanttoteach/ or call 1-800-STUDY-4-2

I have been a Partner-in-Torah for many years and it is a great experience and have mentored a variety of students.

Partners-in-Torah will give you a short phone interview and match you up with someone who can learn at the same time.

RABBI DR. JOSEPH BREUER FOUNDATION**

Are pleased to announce the publication of

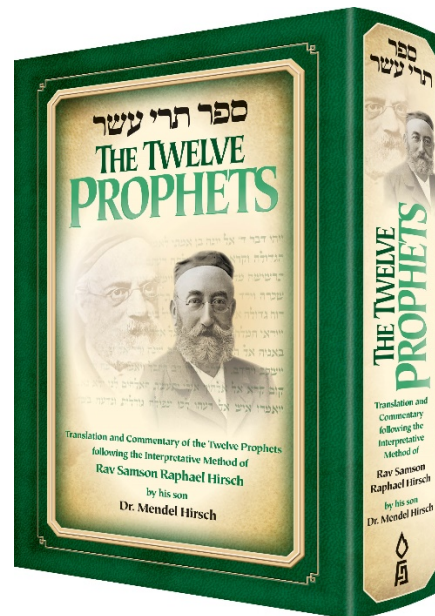

Sefer Trei Assar

Translation and Commentary following the interpretive method of Rav Samson Raphael Hirsch, by his son, Dr. Mendel Hirsch.

The Chumash commentary of Rav Hirsch is based on his interpretive method of precise elucidation of the text and meaning of the words. His son has applied the same method for his commentary to Trei Assar, and has brought to light the timeless message of the Prophet in an original, inspiring fashion.

Originally published in German in 1900, Dr. Isaac Levy (London) in 1970 wrote an English translation that was not published. Dr. Levy's translation has now been redacted by Deena Nataf of Jerusalem. This version is written in a modern, clear style and will attract both student and scholar alike.

The 688-page Sefer Trei Assar may be ordered from the Kehilla office at \$28/copy, including shipping.
Orders may be placed at <https://www.kajinc.org/trei-assar-m-hirsch#>.
