

## SHABBOS PARASHAS VAYIGASH JANUARY 4, 2020 / 7 TEVES 5780

### New Security Measures

In light of the recent incidents in Jersey City and Monsey, effective immediately, we have implemented the following new security measure: Access to the Shul now requires the use of a code. The only two doors to be used to enter the Shul are the front left door (main entrance) and the ramp door (south side). All women must use the ramp door when entering the Shul. We realize that this is an inconvenience to many, but the Board believes that it is a necessary step to take in light of recent events. The Board of Trustees is considering additional security measures as well which will also cover 90 Bennett Avenue.
