To our Dear *Mispallelim* לראי'':

Once again, thank you for your cooperation during these difficult times. We know it is not easy to wear a mask throughout *davening*. We also know that it is not easy to be shuffled from building to building and then to be placed in a different seat for each *Teffiloh*. It is especially difficult for the *Chazonim* and *baalei kriah* who have become experts at performing *Hagbelliloh*. It is difficult for the *Gabboim* who sometimes have to walk up and down a flight of steps a couple of times during a *Tefillah* to discharge their duty. It is especially hard for the women who have been unable to daven *Tefilah B'tzibbur*. But it is only because of your cooperation that we have been able to conduct *davening* in a safe manner. We pray that the time will soon come that the *Rofei Kol Bosor Umafli Laasos* will bring an end to this terrible *Mageifo* and we will be able to return to davening in the way we were used to. Thank you.

Dear Friend,

Once again it is that time of year when the weather is changing and the school year is winding down. The children's thoughts are turning to the summer months and a leisure break from their regular study regimen. However, many of our neighborhood families simply cannot afford to send their children to day camp or overnight summer camp. For these children, this longed-for experience will not be realized without the help of generous benefactors such as yourself who know that a fun-filled summer is more than a luxury for our youth, but a vital part of their growth and maturation process.

With the winding down of the severe restrictions caused by the COVID-19 virus, the need to send children to camp is more important than ever. Many people have been financially impacted due to layoffs, furloughs or the need to care for children who are home due to school closures. In addition, after children have been isolated from friends for 3 months, it is particularly important for their emotional and social wellbeing that they be allowed to be normal children and interact with peers.

Jack and Lore Gerstle z"l and Chaim Yehonason Rothschild z"l, spearheaded the Camp Fund campaign annually because the health and well-being of our precious youth was paramount to them.

Hundreds of children have already benefited from the Camp Fund since its inception, and it is our deepest wish that this tradition and testimonial to the vision of the Gerstles and Mr. Rothschild will continue with your generous help.

We would be grateful if your contribution could reach us promptly so that we can make the appropriate arrangements. Also, if you are aware of any children who should be candidates to be included in this program, please let us know. Please fill out the attached slip and return in the enclosed envelope.

Sincerely,

Alan Ettlinger

Leon Gerstle

P.S. If, Chas VeSholom, the current coronavirus pandemic is not stemmed by the summer and summer camps are not allowed to run, your contribution will be applied to next year's programs instead.

I pledge for the Summer Camp Fund the amount of \$_____
