Feldheim Publishers announces the publication of

Depth of Prayer

Rav Hirsch's brilliant commentaries can often be traced back to his profound analysis of letters and words in Lashon HaKodesh. The words themselves become wellsprings of thought, building into concepts, and ultimately, an illuminating, all-encompassing Torah *hashkafah*.

Drawing upon the works of Rav Hirsch, **Rabbi Nosson Miller** examines a wide variety of essential terms found in our daily prayers...culminating in a *sefer* that will surely enlighten, elevate and enrich the daily *tefillos* of any and all readers.

Rav Shamshon Rafael Hirsch is famous for his analyses of Hebrew word roots and their phonetic permutations and discovering their common base meaning, thereby arriving at startling insights in the Chumash and Tehillim. The words of Rav Hirsch, one of the Gedolim of his time, do not need my endorsement.

I have no doubt that this collection will enhance the davening of the many who will study it. We owe a debt of gratitude to Rabbi Miller for the enormous work which went into collecting and arranging this work. **Rabbi Aharon Feldman, shlita**

[This work] beautifully threads together the insights based on the writings of Rav Shamshon Rafael Hirsch... I believe it will provide readers with a greater understanding of lashon hakodesh and deeper connection to tefillah. **Rabbi Shmuel Kamenetsky, shlita**
