# Rent Relief Program

## Guidance on the Program

- Applications for the COVID Rent Relief Program administered by NYS HCR opened on July 16th, and applications must be submitted online or by mail within two weeks. You can apply here: <https://hcr.ny.gov/RRP>
- All detailed information about the program can be found here: <https://hcr.ny.gov/RRP>.
- Eligible households will benefit from a one-time rental subsidy paid directly to landlords. This payment will cover the difference between the percent of household income spent on rent on March 1, 2020 and the percent of household income spent on rent at the time the household is applying for assistance. Tenants are not required to repay this assistance. You can apply for up to four months in assistance for the months of April through July 2020
- You can apply if you live in rent regulated and market-rate homes. You do not need a lease.

Tenants do not have to be behind on their rent to receive assistance (tenants who are current on their rent payments can have funds applied a credit for future months). The program is open to households that rent apartments, single-family homes, manufactured homes and manufactured home lots.

For more information, see <https://www1.nyc.gov/content/tenantprotection/pages/>
