There is a looming crisis affecting all Yeshivos, Bais Yaakovs and day schools in New York State. But every individual in Klal Yisroel can help avert this *gezeirah*. As an alumnus, parent, grandparent or concerned community member your comment will be accepted, even if you are not a resident of NYS.

The NYS Education Department recently released new, proposed Substantial Equivalency Regulations for nonpublic schools. These regulations give unprecedented authority over the Yeshivos to the local public-school districts, and the curricular requirements can present a serious challenge to the ability of Yeshivos to be mechanech our children according to our mesorah. The Moetzes Gedolei haTorah and Roshei Yeshiva of Torah Umesorah ask us to send a message opposing any change to our children's chinuch. Go to [Voice.Agudah.org](http://Voice.Agudah.org) to submit a letter expressing your objection to these regulations.
