BE THE MATCH!

“Whoever saves a single life is considered to have saved the
whole world”

You could be the one!

Deborah is a member of the Jewish community. She has been diagnosed with AML Leukemia. The only cure is a stem cell transplant performed at the City of Hope. Since no one in her family is a match her doctors are searching the Be the Match Registry for an unrelated donor. Joining is so simple. Please fill out the form and request a swab kit be mailed out to you. Ten minutes of your time could save her life. You could be the one. You could be the cure. Time is very short. Thank you from her loving family.

Please share with as many as you can in your Jewish community.

DONORS MUST BE BETWEEN 18-40 YEARS OLD, IN GENERAL GOOD HEALTH AND
WILLING TO DONATE TO ANY PATIENT.
