Students in grades 4-7 are required to attend at least the number of services in their grade during the year. For example, fourth graders should attend four services between September 2019 – August 2020. Students will be given the opportunity log their Shabbat attendance in their classroom folders.

Inclement Weather: If Yorktown Schools close, dismiss early or cancel after-school activities, all Religious School classes and B'nei Mitzvah lessons are also cancelled. In the event of a closure, we will put a message on our website at www.templebetham-ny.org and will also make every effort to contact you. On Sundays, we will try to give you at least one hour's notice.

Drop off and Pickup: turn right onto the Summit street drop off and pickup line from Moseman road
