

GLORIA HALL SUNDAY MORNING RELIGIOUS SCHOOL SETUP

If you use Gloria Hall on a Saturday during the school year, you must restore this setup before leaving or by 8:30am on Sunday morning in addition to throwing garbage in the dumpster, and cleaning floors, kitchen and bathrooms. Leave the stacks of tables and chairs and folding dividers against the walls where they were found. If you moved anything (such as table racks) from Gloria Hall into the classroom, kitchen, offices, closets, etc. you must move them back to where you found them! If you change anything in the layout of the upstairs classroom or have people in there, you must restore and clean classroom!
